<i>Research Interests</i>	<i>Courses Taught</i>	<i>Qualifications</i>
1. Mechatronics 2..Tribology (Wear & Lubrication) 3.Automation 4. Microcontroller applications.	1. Engineering Graphics-I 2. Engineering Graphics-II 3. Fluid Mechanics 4. Mechatronics 5. Strength of Materials 6. Project Work (402046) 7. Industrial Inplant Training (302063) 8. Basic Mechanical Engineering 9. Gas Turbines & Jet Propulsion	1. ME (Mechatronics), Sinhgad College Of Engg. Pune 2. BE (Mechanical Engineering) V. V. P College of Engineering, Gujarat.

### EXPERIENCE

---

Teaching : 6 Years

Industrial : 4 Years

## **PROJECTS**

---

Vibration measurement in rotating machinery using microcontroller.

## **MEMBERSHIP OF PROFESSIONAL BODIES**

---

Tribology Society of India.
