

ALL INDIA SHRI SHIVAJI MEMORIAL SOCIETY'S
COLLEGE OF ENGINEERING, PUNE – 1.

AISSMSCOE/PRIN/2016–17/291

Date: 07 June 2016

Dear Students and Parents,

Subject: Commencement of Academics of SE, TE & BE for Term I of AY 2016–17.

All students progressing to Term I of academic year 2016–17 should note that date of commencement of Academics is **Wednesday, June 15, 2016 for SE, TE & BE**, regardless of the fact whether the results of the earlier examinations of SPPU, Pune are declared by this date or not. All the students must therefore report to the respective Departments accordingly and start attending Theory, Practical, Seminar, Project, Tutorial, etc sessions as per the time-table displayed for their respective classes.

College also organizes various curricular, co-curricular and extra-curricular activities for the students aimed at their overall development. These activities and other schedules are notified to the students time to time and in academic calendar. It is the duty and responsibility of the student to participate and attend these activities and abide the schedule, which help them for recommendation in placement, pursuing higher education, smooth conduct of academics and their overall development.

Also, you are aware about following relevant important rules and regulations of SPPU, Pune.

- (a) Student is required to maintain 75% attendance in each head of passing of theory, practical, term-work.
- (b) Student is required to complete 100% term work to satisfactory level.
- (c) Student is required to maintain good conduct.
- (d) Student who fails to satisfy the conditions a, b and c will be detained and his/her term will not be granted and the term work marks will be null and void. Such student will have to seek re-admission for that semester in the next academic year. Student whose term is not granted in Part-I will not be admitted to Part-II. Detained students will not be permitted to appear for the respective University Examinations. The detained students also stand to lose one whole year and will have to seek readmission to the same class in the succeeding year/s and repeat it with the payment of fee for complete year.

Regarding the admission process, we will be putting notification very soon.

Personally confident and technically competent engineers are the assets of our country and are going to generate national wealth. It is always our endeavour to help our students to make them successful in their career who in turn will make their parents, institute and the nation proud with their achievements. We look forward to effective and cordial interaction with you right throughout the year.

AISSMS College of Engineering wishes the best in your all endeavours and upcoming season.
