

Availability of Counselling Facility in our College

It has been observed that self development plays an extremely important role in achieving the personal and professional excellence of an individual. Self analysis helps to strengthen our positive traits and overcome weaknesses and hindrances. During the achieving of excellence, we face various difficulties ranging from anxiety, stress, fear of change, failure, homesickness, sleep disorder, addiction, phobia of interview, presentation, examination, public speaking, stage, etc, apart from academic worries, in our life. Support and guidance from professional counsellors in such cases help us to overcome these difficulties, which leads us to achieve physical, mental and emotional well being and the success.

In view of this, All India Shri Shivaji Memorial Society has appointed Institute of Holistic Healing India, Pune for providing 'one to one' counselling and personal guidance and their expert Counsellors will be available in our College. Our College has established Student Counselling Cell (SCC) to facilitate and coordinate this process, the Members of which are as follows:

1. Mr S V Chaitanya (Coordinator)
2. Mr S B Dhekale
3. Ms P P Vast

Students who want to avail this facility should contact following SCC Members:

FE: Ms P P Vast

(Room No 451, Mo - 9970048840, Email–ppvast@aissmscoe.com)

SE, TE, BE: Sh S B Dhekale

(Room No 453, Mo - 9049996282, Email – sbdhekale@aissmscoe.com)

You may contact the Members personally, through mobile (call, SMS, WhatsApp, etc), email, or any other media through which you feel comfortable. Complete confidentiality regarding counselling process and students' names will be maintained.

All students are appealed to take benefit of the same and excel in their life.

Dr S P Danao
