

**One-day expert talk on “Intellectual Property Right” in association with SHRI IPR Services at Pune, organized at AISSMS COE, on 13th Nov.2017.**

All India Shri Shivaji Memorial Society’s College of Engineering, (AISSMSCOE), Pune in collaboration with SHRI IPR services had arranged one-day expert talk for budding IPR. The main speaker of the expert talk was **Mrs. Prerna Dongare**, Chief Consultant IPR Govt. of India, inculcates cooperation. The program started with the speech of Dr D.S. Bormane, Principal of AISSMS COE, telling the faculties about importance of Patents and Innovations. Organizing committee would like to thank AISSMS Society management for their support.

The expert talk was an inclusion of participative learning and live example would have given better exposure to the participants. S V Athawale, Dr V L Gole, Dr S H Wankhade were the core committee members from R & D cell that arranged this expert talk. It was anchored by Dr S H Wankhade. The total number of participants from AISSMS College exceeded than 80. All the faculties were very happy and learned many new things expecting more expert talk in future.

Resource person Mrs. Prerna Dongare being felicitated by Dr D S Bormane , Principal AISSMS COE. Engg.Pune
