Institution of Engineers (India)

Students' Chapter (Electronics Engineering)

Department of Electronics Engineering runs Institution of Engineers students' chapter in the department. It is the chapter for the students by the students.

IE (I) Students' Chapter of Electronics Engineering (AISSMS College of Engineering), established in October 2006, organizes various Student centered activities throughout the year.

Students' Chapter of IE (I) is formed for initiating and imbibing the feeling of belongingness into fraternity of engineering to which the students of engineering are destined. Students' Chapter organizes technical events like Expert Lectures, Seminars, Technical Paper Presentation, Project Competitions, Group Discussions, Debates, Training Programs, Industrial Visits, Technical Demonstrations, Film shows, etc. for the development of socio-techno intellectual qualities of the students and for encouraging their urge and surge for knowledge in a disciplined and guided system.

Achievements/Awards

1) **Best Engineering College Students' Chapter for the Year 2012-13**
   (Cash: Rs. 20000/- , Trophy and Certificate)
2) **Third Best Engineering College Students' Chapter for the Year 2013-14**
   (Cash: Rs. 10000/- , Trophy and Certificate)
3) **Best Engineering College Students' Chapter for the Year 2014-15**
   (Cash: Rs. 20000/- , Trophy and Certificate)

Elected Committee Members:- (2015-16)

Sr. No	Designation/Committe	Member/s	Class
1.	Convener	Sanket Kherkar	TE
2.	Secretary	Ujjwal Aima	BE
3.	Joint -Secretary	Areesha Nagrani Pooja Kad	TE TE
4.	Event Management	Ravi Teja Biradar Dhaneshwari Shinde Apurva Jogal Pradnya Pisal	SE SE SE SE
5.	Organizing Committee	Pravin Potbhare Vaishnavi Joshi Ajay A. Daule Vipul Kabra	TE SE TE SE
6.	Finance Committee	Shubham Hema Atharva Shirude Dnyaneshwari Magar	SE SE SE
7.	News Letter Committee	Vaidehi Kulkarni Divita Kaushal Vinita Kawadia	TE TE TE
8.	Wall Magazine Committee	Himani Choudhari Vishal Raut Ankita Sarode Apporva Mankar	SE SE SE BE
9.	Photography	Aishwarẏe Gaikwad Pritam Kolate	BE TE
10.	Student Advisory Committee	Prasad Chorge Simi Mathews Dimpal Nemade	BE BE BE

(This list was made with reference to the IE (I) Students' Chapter meeting held on 04/09/2015.)

Faculty Adviser   **HOD**
(Prof.N.P.Mawale)   **(Dr. U. S. Sutar)**

TECHNICAL/INDUSTRIAL VISIT REPORT

IIT TECH-FEST 2015-16

Date: 28th December, 2015

Place: IIT Powai, Mumbai

AISSMSCOE , IEI Students' Chapter Electronics Engineering Department had organized a one Day Industrial/Technical visit to the IIT Tech-Fest 15-16 (IIT Powai, Mumbai) on 28/12/2015 for the students of SE, TE and BE. The IIT Powai was conducting its last day of the tech-fest. The main theme for this year's tech-fest was Space bodies. The entrance to the tech-fest had a view of the satellites and spaceships. The main attraction of the tech-fest was the new generation cars build by BMW. The specialty of these cars was that it worked on solar and electrical energy sources. The car had large solar panels under the bonnet for storage of solar energy. Solar mobile chargers were also one of the attractions of the fest.

The achievements of well known people were displayed in the form of banners and posters all around the campus. The tech fest was a gateway to various innovative projects. The eye-catcher among them was the 'Troposphere electron density measurement satellite', build by the students of IIT Powai.

They had organized lectures for the students on various topics which were addressed by well known speakers. The tech-fest also had organized various fun games, competitions and refreshments. Robo race was one of the main attractions and it had entries from various parts of the country.
The games comprised of Go Karting, Laser Tag, Soccer etc.
The student had an experience of educational roller coaster and also had exposure to new environment and ideas.
