## Experience

Teaching: - 2 years

Industry: -

## Area of Research

Data Mining

## Research Publications

- Paper Titled “Extraction of Incremental Information Using Query Evaluator” presented in First IEEE International Conference on Networks & Soft Computing 2014 at Guntur , Andrapradesh ,on 18-20 Aug 2014.
- Paper Titled “**Biomedical Information Extraction Techniques** “published in ‘**International Journal of Computer Technology and Applications (Impact Factor-2.804)**’, ISSN: 2229-6093.
- Paper Titled “Different Cube Computation Approaches: Survey Paper “published in ‘**International Journal of Computer Science and Information Technologies (Impact Factor-2.93)**’, ISSN: 0975-9646.

## Workshops/Seminars/Conferences attended

- First IEEE International Conference on Networks & Soft Computing 2014 at Guntur , Andrapradesh ,on 18-20 Aug 2014.
