

**Neha Rai**  
**Assistant Professor**  
**BE(CSE),ME(CSE)**

E-mail: [nrai@aissmscoe.com](mailto:nrai@aissmscoe.com)  
Contact: 020-26058587

## Experience

**Teaching: 7.5 Years**

**Industry: -**

## Area of Research

Networking

## Research Publications

- **Has published paper on** Genetic Algorithm Based Intrusion Detection System. Neha Rai et al, / (IJCSIT) International Journal of Computer Science and Information Technologies, Vol. 5 (4) , 2014, 4952-4957.

## Workshops/Seminars/Conferences attended

- **Has presented paper in IEEE conference held in LNCT,BHOPAL 2014 on topic** Design and Investigation of Steganography techniques using Descrete Wavelet Transform .
- **Has parcipated in conference held in IOIT,pune**
- **Has parcipated in conference held in Aissms,pune.**

## Responsibilities Shouldered

- **Head** of National Service Scheme (NSS).
- **Participated** in Conference as a organizing committee member.
- **Gurdian Faculty Incharge** For Four Years.

## Achievements / Awards and any other information

- **Best Project Award** in PROJECT in Jai Narain college of Technology Bhopal in 2008.
