About AISSMS

All India Shri Shivaji Memorial Society (AISSMS) was established in the year 1917 as a broad based Educational and Social Welfare Organization by His Highness Rajarshi Shrimant Shri Shahu Chhatrapati Maharaj of Kolhapur, His Highness Shri Madhavrao Scindia Maharaj of Gwalior and His Highness Sir Tukojirao Maharaj of Indore with the benevolent mission of the welfare of their subjects. The sole purpose of the Society is to promote noble cause of education among people from all walks of life.

AISSMS runs 21 educational institutes, all of them known for imparting quality education. The group has prestigious residential preparatory military school which has completed 85 years. AISSMS has two renowned Engineering Colleges, a Pharmaceutical College, a Polytechnic, an Institute of Management (MBA), and a College of Hotel Management & Catering Technology amongst others.

AISSMS College of Engineering

AISSMS College of Engineering, Pune is a co-education Institute established in the year 1992. It offers AICTE approved programs leading to Degree of Bachelor of Engineering (BE) in eight Engineering streams and Master of Engineering (ME) in seven Engineering disciplines. The College is affiliated to Savitribai Phule Pune University, Pune. This College is centrally located in the city of Pune on the sprawling campus of 11.1 acres of land. Institute has made significant and continued strides in terms of building infrastructure, faculty expertise and all round development of students. The College has completed its 27 glorious years of service with quality outcomes in the form of knowledge creation for the country and contributing to its growth. National Assessment and Accreditation Council (NAAC) has recently awarded ‘A+’ grade for the Institute's robust infrastructure and excellent academic practices.

About the program

Engineering education is transforming at the faster pace. Educational needs are changing drastically. Technical teachers are required to empower for implementing innovative, advanced pedagogy for their professional refinement and student's enhanced learning. With this view our institute has launched **Center of Excellence in Teaching & Learning (CETL)** to execute in-house and collaborative activities with other institutes in and around Pune.

Peer to peer learning and assessment has gained lot of importance now-a-days. This program is unique and first of its own kind which is designed thoughtfully for empowering all faculty members of the institute one at a time to impart in-house training, creating opportunity to showcase talents and develop all faculties through peer to peer knowledge transfer and assessment.

Objectives

1. To acquaint participating faculty about teaching-learning process by the way of promoting independent, critical and creative thinking.

2. To enhance knowledge and skills of the faculty in the state of art technologies in teaching in engineering domain.

3. To impart to attendees the concept and contents related to accreditation process.

4. To create task force at institute level for improving outcome of teaching-learning process and overall quality of faculty.

5. To come together for knowledge transfer and peer to peer teaching & learning.

6. To give equal opportunities to all heads of the departments and faculty in quality improvement process.

Program contents

Vision-Mission statements of Society, institute and Department, PEOs-PSOs and their dissemination; PO framing, PO-PSO and PO-CO correlation; PEO and vision mapping; PO-CO assessment tools; Attainment level settings; Improving quality of teaching; Quality assignments; Initiatives related to Industry-Institute Interaction; Continuous improvement on academic audit.
