Motto

As we are facing lock down situation due to COVID-19 pandemic. In this situation, E-learning is the greatest advantage to promote life long learning and we are sure you all are taking at most efforts to keep up your spirit and grasp new things. As the exams are a bit delayed lets take advantage of it and practice more to secure good marks.

Why Mock Tests?

- It will help to improve speed and accuracy, also to know the level of preparation.
- It will boost candidate's confidence and overcome their mistakes.
- Each practice test that candidates attempt helps them opportunity to learn and improve their performance.
- It will help candidates in identifying their weaknesses and focus on the same.
- Practice test will help in strategizing for the exam as how to crack and clear the exam.

Some Preparation Tips

- Be clear with the concepts.
- Divide the portion of the syllabus and prepare study routine accordingly.
- Follow the news updates regularly.
- After completing the syllabus appear for the mock test as it is very important to improve speed and accuracy.
- Practice previous years' question papers.

About Mock Test Series

- This practice series has 3 Mock Tests on PCM subjects.
- All the three test consists of 30 Questions (10 Questions each on PCM respectively).
- The difficulty level is increased little bit in each test.
