

## **Applied for membership of National Digital Library**

The **National Digital library of India (NDLI)** is a project under Ministry of Human Resource Development, India. The objective is to collect and collate metadata and provide full text index from several national and international digital libraries, as well as other relevant sources. It is a digital repository containing textbooks, articles, videos, audio books, lectures, simulations, fiction and all other kinds of learning media. The NDLI provides free of cost access to many books in English and the Indian languages. AISSMS College of Engineering Library is member of NDLI Students can search required resources from this resource. AISSMS Library also member of NDLI Club
