Principal

Subject: Invitation for Campus Recruitment of Final Year Chemical Engineering Students

Dear Sir/ Madam,

It gives us immense pleasure to invite you for conducting Campus Recruitment at AISSMS College of Engineering (COE), Pune for **Final Year Chemical Engineering Students of A.Y. 2021-22.**

All India Shri Shivaji Memorial Society's College of Engineering (AISSMS COE, Pune) was established in the year 1992 and completed 28 glorious years of imparting quality Engineering Education. The College is affiliated to **Savitribai Phule Pune University (SPPU)**. It offers AICTE approved courses leading to the Degree of Bachelor of Engineering (BE) in eight Engineering Disciplines including Chemical Engineering. The College has been awarded 'A+' Grade in UGC's NAAC Accreditation in A.Y.2018-19 and also awarded by SPPU as 'Best Engineering College' in Urban Area in A.Y. 2019-2020.

Department of Chemical Engineering offers four year BE program which was started in the year 1996 and ME program since 2011. It is permanently affiliated to the SPPU and was provisionally accredited by National Board of Accreditation in the year 2013. Department is well equipped with modern amenities. It has 10 well equipped laboratories including dedicated Project Lab and Computer Centre. Department produces graduates with strong grasp of Chemical Engineering Fundamentals. Students of Chemical Engineering are well versed with solving problems using Computational and Simulation Packages like MATLAB, DWSIM, ChemCAD and UNISIM. They undergo In-Plant training in second and third year and trained for soft skills through professional agency. To facilitate all-round development, our students are actively inducted into technical, sports, cultural and social activities where they themselves perceive, plan, execute, document and publish the events under faculty supervision. Regular Industry-Institute Interactions are organized for expert/guest lectures, workshops, seminars, conferences, value added/short term courses and Memorandum of Understanding (MoU) are signed for synergetic relations with several Industries. Every year sizable number of our students figure in top 10 of SPPU result rankings.

It is our great privilege to invite you to our Institute for Campus Recruitment and to provide an opportunity to our students to demonstrate their knowledge, capabilities and skills.

We look forward for your positive consideration in this regard.

Thanking you.

Yours Sincerely,

Prof. P. M. Warke
Coordinator- CITP
