Event Report:

The college recently hosted a debate competition on March 10th. The participants were divided into team of four, each consisting of two students. The teams were given a variety of topics to debate, ranging from current events to philosophical issues. Each participant had 2:30 minutes to state their points.

The debates were lively and passionate, with each team presenting well-reasoned arguments and counterarguments. The judge were the faculty of college and they scored individual participants on the basis of various factors.

Finally, from all the groups, the students who were top 4 had the final debate competition. The winners were later declared through the social media posts and the winners later also received their prizes.

The debate competition was a resounding success, highlighting the talents and skills of the college's students and fostering an environment of engaging and thoughtful discourse.
