Subject: Invitation as an Expert for a session on "Getting to know software industry Practices"

Respected Sir/Madam,

We are honoured to invite you as a speaker for expert talk on "**Getting to know software industry practices**" on 11/11/2022 at E&TC Department AISSMSCOE Pune. The expert talk is aimed at creating awareness of different practices falling under different quality dimensions, and which can be implemented for promotion of start-ups and innovations amongst the students in the Higher Educational Institutions. As per discussion with you, your Expert talk is scheduled as follows.

Date: 11/11/2022, Friday, Time: 9.00 am

Your experience in this field will help participants to get insights towards the topic and help to improve quality of research in innovation and awareness regarding Communication System.

Thank you in advance for your consideration, and we very much look forward to hearing from you.

The objectives of the session are:

- To create awareness among students in different processes and skills required as a software professional engineer
- To stimulate, encourage & enhance the interest of students for Research Development in software engineering.

In this regard, we cordially extend an invitation to you as a resource person for this session; with your expertise the session will prove to be a valuable asset to our students.

With warm regards,

Regards,

Dr. S. B. Dhonde
Head E & TC

Dr. D. S. Bormane
Principal
AISSMS COE, PUNE

Subject: Thanks for Expert Lecture.

Respected Madam,

Thank you for accepting invitation as Expert speaker for seminar on "**Getting to know software industry Practices**" on 11th Nov. 2022 organized by Electronics and Telecommunication Engineering Department in association with IE(I) Chapter, AISSMSCOE Pune. We were honoured to have you as a speaker for Expert session. The expert talk is aimed at creating awareness of different practices falling under different quality dimensions, and which can be implemented for promotion of start-ups and innovations amongst the students in the Higher Educational Institutions.

Your experience in this field will help participants to get insights towards the topic and help to improve quality of education. Thank you for your consideration, valuable time and guidance. We look forward for such more programs in future.

Regards,

Dr.S. B Dhonde
Head E & TC

Dr.D.S.Bormane

Title: Industry Expert Lecture on Getting Know Software Industry Practices.

Organised by: IEI Students Chapter (Electronics & Telecommunication Engineering).

Date: 11th November 2022

Time: 10:00AM-12:00PM (IST)

Venue: Seminar Hall

No. of Participants: 100

Student Co-Ordinators:

Ms.Maithili Gujar

Ms.Rajwee Wable

Mr.NitinTandale

Ms.Anjali Jagtap

Faculty Co-Ordinators:

Mr.N.P.Mawale

Dr.S.B.Dhonde (HOD-E&TC)

Faculty Present for Industry Expert Lecture:

Mr.N.P.Mawale

Dr.K.B

Chaudhari

Dr.P.P.Vast

Event Report:

Industry Expert Lecture arranged on 11.11.2022 on Getting Know Software Industry Practices, A Glimpse at Process and Working in Software Company and related opportunities. The Industry Expert was Mrs. Priti Munshi, Program Manager, Global Principal Services, Pune. Industry Experts have given in depth knowledge about functions, different departments, roles and responsibilities of each department, roles of Engineering Graduates after being appointed in each department and opportunities to E&TC students in software companies. She has also covered advanced technology Agile Methodology used in software companies. A total of 100 Students attended the Industry Expert Lecture. The Industry Expert Lecture was coordinated by Prof. Nitin Mawale, Dr.K B Chaudhari and Dr.P P Vast. Hon. Secretary, AISSM Society, Pune Shri. Malojiraje Chhatrapati Sir and Hon.Joint Secretary Shri. Suresh P Shinde Sir congratulated the E&TC department for innovative events conducted by Industry Expert. We are very much thankful to Principal AISSMS College of Engineering, Pune, Dr.D.S.Bormane Sir and HOD E&TC Dr.S.B.Dhonde for encouragement, motivation, cooperation and constant support to organize such innovative events. We are also thankful to the Department Academic coordinator Prof.S B Dhekale for his extended cooperation and support to organize this event. Overall the event was a grand success.

Glimpses of Event:

(Mrs. Priti Munshi addressing students)

(Mrs. Priti Munshi Solving students doubts)

Thanks to Hon.Secretary, AISSM Society, Management & Dr.D.S.Bormane (Principal, AISSMS College of Engineering) for their support to organize this activity.

Report of Expert Lecture
Electric Vehicle
AY 2022-23, SEM-I

Class: SE (E&TC) and TE (E&TC)

Subject: Electrical Circuits

Topic: Electric Vehicle

Faculty Coordinator: Prof. V S Navale

Day and Date: Tuesday, 9/11/2022

Time: 11am to 1pm

Industry Resource Person: Mr. Hemant Padhye, *Pro Business Innovations (OPC) Pvt. Ltd. Pune.*

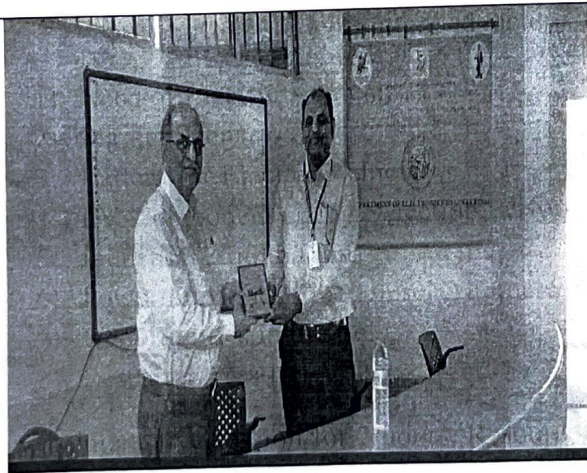

Objective of Expert lecture:

To give platform for students to interact with Industry person and to know Electric Vehicle

Total 117 students attended lecture. Following points were covered in Expert lecture

- 1) Need of Electric Vehicle.
- 2) Market Scenario
- 3) Battery for Electric Vehicle
- 4) EV-Component sizing/Selection, Performance Prediction, Range and Battery calculations
- 5) Industrial Automation
- 6) Powertrains (Gasoline/Diesel/Alternate Fuels)
- 7) Opportunities in the field.
- 8) Research Area in EV

It was interactive session for 2 hours. Resource person shared Industry experience with students and discussed various research opportunities for students in Electric Vehicle. He also motivated students for entrepreneurship. Student's queries were solved by Resource person.

Felicitation of Mr. Hemant Padhye, Pro Business Innovations
