## About Us

The All India Shri Shivaji Memorial Society is a world-class educational society established in 1917 by Rajarshi Chhatrapati Shahu Maharaj of Kolhapur, with the aim of providing educational opportunities to all strata of society. The Society started AISSMS Military School in 1932, followed by a day school and Jr. College in 1972. In 1992, AISSMS ventured into higher and technical education. Today, the AISSMS community spans across the nation and even overseas.

After more than 100 years since its establishment, with over 1200 teaching staff and a student community of 14,000+, the AISSM Society has continued to nurture generations of students who have excelled in countless industries and sectors. Presently, in addition to operating residential and day schools, and Junior Colleges, AISSMS runs world-class institutions such as the College of Engineering, Institute of Information and Technology, Hotel Management, Institute of Management, College of Pharmacy, Polytechnic, and ITI, offering a wide spectrum of disciplines. As an educational institute, we provide comprehensive education from KG to PG with state-of-the-art learning techniques, as well as facilities for co-curricular and extracurricular activities.

The AISSM Society consistently hosts extracurricular inter-collegiate competitions to provide students and faculty with a platform to showcase their talents. We firmly believe that maintaining a high level of interest in academics, along with participation in co-curricular activities, is essential for the all-around development of our students. In doing so, we ensure that our talented faculty members also remain engaged, either as participants or as advocates.
