To,
The Principal,
AISSMS College of Engineering, Pune

Subject: Approval of TRIZ Institutional Membership (Lifetime)

I hope this letter finds you in good health and high spirits. It is with great pleasure I extend my warmest congratulations to AISSMS College of Engineering on obtaining the institutional membership of the TRIZ Chapter. This remarkable achievement marks a significant milestone in fostering a culture of innovation within your esteemed institution.

I am delighted to inform you that the TRIZ Association of Asia has been actively promoting the principles and methodologies of TRIZ (Theory of Inventive Problem Solving) throughout the region. Our association provides a platform for individuals and organizations to share knowledge, exchange ideas, and collaborate on innovative projects.

The institutional membership of AISSMS College of Engineering with the TRIZ Chapter will undoubtedly take the TRIZ activities conducted for faculty and students to new heights. The TRIZ Association of Asia offers numerous resources, events, and collaborations that will immensely benefit your Institution's academic community.

Through this membership, your Faculty and Students will gain access to cutting-edge research, case studies, and best practices in problem-solving methodologies. They will have the opportunity to engage with industry experts, participate in workshops and seminars, and expand their network within the TRIZ community.

By actively promoting and fostering a strong base of live memberships, AISSMS College of Engineering can unleash the full potential of TRIZ within its academic community. It is crucial to maintain a minimum number of live memberships as a requirement for retaining the esteemed status of life membership in the TRIZ Chapter.

We firmly believe that this membership will serve as a catalyst for innovation within AISSMS College of Engineering. It will empower your faculty and students to approach problem-solving from a fresh perspective, encouraging creative thinking and enhancing their ability to develop inventive solutions.

I extend my heartiest congratulations once again and encourage you to leverage this membership to its fullest potential. I am confident that AISSMS College of Engineering will continue to nurture a spirit of innovation and excellence among its Faculty and Students.

TRIZ Association of **ASIA**

I wish you and your institution great success in all your future endeavors. May this new chapter in your association with TRIZ bring about a wealth of knowledge, inspiration, and groundbreaking ideas.

Let's Innovate together!

Sincerely

P V Narayan
