SWACHHA WARI NIRMAL WARI

Name of Event: Nirmal Wari Dindi

Date: 08-09/07/2018

Name of Co-ordinator: Dr. N.N. Shejwal (P.O. NSS)

Number of Participants: 50

Time: 6.00am to 8.00pm (Sunday) 8.00pm to 11.00am (Monday)

Venue: Kasture Chowk, kondhare wada, Nana Peth, Pune.

DINDI REPORT

Pandharpur Wari is an annual pilgrimage Alandi to Pandharpur in Maharashtra in the month of July every year. Sant Dnyaneshwar and Tukaram are taken from their respective shrines to Pandharpur. This is 21 days March on foot from various locations in Maharashtra to Vithoba temple, Pandharpur, attracts a total of over a million pilgrims. Devotees from Maharashtra and nearby areas set out for Pandharpur,

As per the circular of Savitribai Phule Pune University, Pune-07 about the Swachha Wari, Nirmal Wari, Nisarg Wari, the All India Shri Shivaji Memorial Society's , College Of Engineering, Pune-01, National Service Scheme unit has been participated in the Niramal wari Programmme on 8th and 9th July 2018 at Kasture Chowk , Nana Peth, Pune.

The volunteers reached the Ladkat School, Nana Peth, Pune on 8th July 2018 at 6.00am early in the morning. It was tea time early in the morning, so the the volunteers immediately helped to the local people for serving tea, biscuits and breakfast to the pilgrims of Dindi. Further the volunteers have been carried out the cleaning drive in Kasture Chowk and Kondhare wada area. The volunteers collected the plastic wrappers of Biscuits, empty glasses of tea and water and empty breakfast plates. While conducting the cleanliness drive volunteers also make awareness regarding the cleanliness. The volunteers appealed to the people that do not spit on road and public places. Simultaneously the some group of volunteers helped local people and police in the traffic management and directing the people participated in Dindi. Some volunteers help the missing pilgrims to find out their dindi location. After 11.00am all the boys volunteers started working for the arrangement of the lunch for the pilgrims in association with local organizer and also washed the utensils for cooking of food. The girls volunteers

Dr.D. S. Bormane
Principal

involved themselves in kitchen job and helping the cooks and the women in preparing of dough, puri , washing and cutting of vegetables. The girl's volunteers also learn from the pilgrims how to make the Jawar and Bajari bhakari (Roti). The volunteers visited to the different dindi and they had some conversation with pilgrims and enjoyed the Bhajan, Kirtan and learn the tradition. It was the lunch time; volunteers took the charge of serving the food to the pilgrims with the glass of water. Within the period of 2hrs, volunteers served the food more than 1000 pilgrims. Then the volunteers took lunch. During the lunch break, Mrs. Manisha Kondhare, Corporator, PMC, visited the place and felicitated our NSS unit and appreciated their work and help. After everyone's lunch, volunteers removed the chairs and table and cleaned the area. In the evening volunteers again helped in serving the tea and biscuits and did some cleaning and traffic management up to 8.00 pm also dialogue with the pilgrims to know about their village and life.

At 8.00pm the volunteers of night shift arrived at the location. They also helped locals in serving food and other managements. They had good talks with all varkari's and enjoyed Bhajan and Kirtan with them. Volunteers also helped those people in making arrangements of their sleeping. On 9th July 2018, the both the Palkhi's have been proceed for the next destination. After the palkhi left the nana peth, the every Main and internal roads was full of garbage. Volunteers took the initiative along with the sanitation department, PMC and cleaned each and every area of Nana Peth. Dr.Prabhakar Desai, Director, National Service Scheme, SPPU, visited to the area and carried out the inspection of entire Nana Peth area around 10.00am. Dr Prabhakar desai Sir also took the feedback and experience of Nirmal wari. He also dialogue with the volunteers, guide them and appreciated the Nobel work.

Mega Job Fair Report

The responsibility of volunteering for Mega Job Fair event was given to NSS unit of AISSMS C.O.E. This was one of the largest event with huge population in the college campus.

As per the notice all NSS volunteers were gathered at 8:00am in MBA parking, where the arrangement of registration was made for H.R.'s of all the companies. In this event IOIT, Pharmacy & Management college were also participating. In all there were about 400 companies, out of which AISSMS C.O.E had made arrangement for 125 companies.

First breakfast was been served to all the volunteers before the arrival of the H.R's. Rooms were allotted to each company. All the volunteers were assigned to one company H.R. The arrangement of breakfast for H.R. was done behind the registration desk itself. After the registration of one H.R. he/ she was assigned one volunteer each. The volunteer then guided the H.R. and looked after for the whole day.

At 10.00am there was inauguration of the event in AISSMS C.O.E. seminar hall. After this the interview process of the applied candidates started. NSS volunteers were also present at the entrance of the college and guided all the candidates. There was separate help desk at the entrance. All the applied candidates had to register their names on the main college entrance gate after which they were provided with the pamphlet containing company names and the location of the interview.

Dr.D. S. Bormane
Principal

There was a lot of floods of candidates more than 5000 candidates. All the interview process was completed until 4:00pm after which the volunteers Our NSS volunteers showing a lot of patience guided and arranged all the things properly and made this event a success.

NATIONAL SERVICE SCHEME

Name of Event: HUM FIT TO INDIA FIT

Name of Resource Person: Director Milind Damle

Name of Coordinator: Dr. N. N. Shejwal (PO. NSS)

Number of Participants: 19

Date: 21/07/2018

Time: 12:00pm

Venue: 1) Savitribai Phule Pune University

2) Film and Television Institute of India

Event Report:

This Independence day Government of India had taken an initiative of creating awareness among the people regarding fitness. In this FTII i.e. Film and Television Institute of India contributed by making a short film named HUM FIT TO INDIA FIT encouraging participation of NSS students from all the colleges.

AISSMS COE NSS Unit responded actively by showing participation of total 19 volunteers in this short film. The short film included about 150 NSS volunteers, showing their talent in various forms like dance, lazim, lathi-kathi, karate, yoga, etc. The duration of short film was 4 minutes which released on 15th of August. The main theme of short film was to make people aware regarding importance of fitness by doing regular exercises and practising yoga. This message was passed on with the help of song hum fit to India fit on which traditional sports and culture of India was shown.

Dr.D. S. Bormane
Principal

The actual practice of this short film started from 21st July 2018. Students were called 3 successive weekends, divided in batches, 2hrs. each for practice. In these practice sessions the choreographers taught different steps to the dancers. Shooting was scheduled on 10th, 11th, & 12th of August 2018. On 10th the shooting venue was SPPU i.e. Savitribai Phule Pune University. Shootings dated 11th & 12th took place in the FTII campus itself. The director of the film Mr. Milind Damle were present at each practice sessions and genuinely took care of the participants. All the breakfast as well as lunch arrangement for the students was made in the campus itself.

FTII had organised open sessions on 11th and 12th August 2018 called flash mob. These sessions were open to all the public which also participated in the shooting of short film. On 15th of August 2018 Independence day was celebrated in SPPU campus after which a live telecast of Hum Fit To India Fit was there, which was shown on news channels. Link was released on YouTube and official websites. This event was a great experience for all the volunteers.

Students at FTII were given a fitness challenge by colonel Rajyavardhan Singh Rathore, Minister for Information & Broadcasting. In response, the students of the institute got together to do something that has not been done before at FTII. They are making a #HumFitTohIndiaFit music video which has been penned, edited and shot at

the institute by its staff and students. On the first day of the institute's open day, visitors were in for a surprise as they got the opportunity to witness a flash mob presented by the students to generate awareness on fitness. The open day allows visitors to tour the campus.

Event Report

“National Service Scheme” unit of All India Shri Shivaji Memorial Society’s, College of Engineering had organised a gracious event on the occasion of Kargil Vijay Divas on 26th July, 2018. The event witnessed presence of honourable personnel from the society. Principal Dr. D. S. Bormane, NSS Program Officer Dr. N. N. Shejwal and other teaching staff were present for the programme.

The venue ENTC seminar hall was filled with enthusiastic and energetic students. The entire anchoring and addressing of the guests was done by NSS Volunteer Rohan. He carried out the entire process very well. The introduction session of guests was followed by felicitating with a memento. After that the students and teachers present were addressed by the Principal.

After the inspiring views shared by dignitaries, Mr. Sanjay Naidu addressed the crowd. The crowd welcomed him with huge applause. After a warm and energetic welcome, Sir presented his Power Point presentation to the crowd. The presentation consisted of different aspects of Society. He explained the gathering about many current issues in society like awareness of Polio vaccine, use of helmets, blood donation. He also shared his experience as an army officer. He also shared some of the activities carried out by his organisation and also asked the gathering to carry out an activity in collaboration with their organisation. At the end the program concluded with the vote of thanks presented by Priyal Pujara and the national anthem was sung by everyone.

Event Report:

The Union and State Government launches several schemes for the citizens of India from time to time. They are launched for the purpose of improving the livelihood of the people and providing security for leading a better life. Each scheme is launched to provide benefits to the individual in certain areas of their life. Some schemes grant financial security while others aim to provide socio-economic measures. The beneficiaries covered under most of the individual schemes are the rural people, urban poor, low-income families, economically backward sections or weaker sections of the society. There are so many diverse schemes Atal Pension Yojana, Unnat Jeevan by Affordable LEDs and Appliances for All (UJALA), Ayushman Bharat Yojana, Gramin Kaushalya Yojana or DDU-GKY, Pradhan Mantri Gramin Awaas Yojana, Pradhan Mantri Matritva Vandana Yojana, Deen Dayal Upadhyaya Antyodaya Yojana, Pradhan Mantri Adarsh Gram Yojana, Pradhan Mantri Kaushal Vikas Yojana, Pradhan Mantri Suraksha Bima Yojana, Pradhan Mantri Jeevan Jyoti Bima Yojana, Pradhan Mantri Jan Dhan Yojana, Pradhan Mantri Awas Yojana, Antyodaya Anna Yojana, Pradhan Mantri, Ujjwala Yojana, Swamitva Yojana etc launched by government, but whether these scheme reached to the last beneficiary is an important to check specially in rural area. All these Schemes introduced for Rural Development to assist the poor families living below the poverty line in rural areas for taking up self-employment. These schemes are funded by the Central or State Government.

In this context, NSS volunteers took an initiative and spread the awareness about the schemes at kondhanpur village in pune district. They interact with the people ask them, whether they aware about

Dr.D. S. Bormane
Principal

the schemes or not. NSS volunteers guided to the individual villagers about the scheme benefits as well the documents required for the same and where to submit the proposal of the scheme.

Event Report:

In 21st century all are living on digital planet, the current generations are the BHUMIPUTRA of this digital planet. The revolution in every field brought by the advancement in science and technology. Everywhere we are using a smart phone and smart computers, internet for communications. The rural area should not be lagging behind in this digital era. Therefore, NSS unit of our college initiated the digital literacy program for school children. As a part of this initiative the digital literacy prog conducted in Gogalwadi ZP School in Pune districts under the guidance of prog officer Dr. N.N. Shejwal. The all-school children and teaching and non-teaching staff along with few villagers attended the program. The digital literacy program covered the peripheral equipment's of computer, its function, mobile functioning through power point presentation etc. The NSS volunteers Mr. Varad Patil was lead the activity. All the staff members and villagers appreciated the program.

Name of Event: Construction of Soak Pit

Name of Guests of Honour: Dr. N. N. Shejwal

Name of Coordinator: Dr. N. N. Shejwal

Location: Tulapur

Date: 16.08.2018

Time: 09.00 am –06.00 pm

Event Report:

The NSS Unit of AISSMS's College of Engineering, Pune comprising of 18 members went to Tulapur village located about 32 km from Pune City.

The main motive of our visit was to give the brief information about "Swachh Bharat Abhiyan" & Govt. of Maharashtra schemes and also to spread the importance of cleanliness in the society as we are also a part of this society.

We reached at around 9:30 am in the village & had conversation with the Gram Panchayat officer Mrs. Jyotsna about the open drainage. The drainage water spread on the road and in front of the school premises so that it was very difficult to enter in the school. The dirty smell of drainage water finds very difficult to sit in the class. The AISSMS COE student observed it and decides to give the solution to this problem. They analysis the problem and prepared the plan and discussed with the grampanchayat member, Sarpanch and Gramsevak as well as the head master of the school. They all gave some suggestion and we finally commenced the work of soak pits at 10:10 am.

We made a pit for the tank of sewage water in the primary school. A team of 4 students went to the class for teaching and briefing them about cleanliness and different education schemes for the students. They took the lecture and revision of the students. They also gave an idea about plastic pollution and how plastic waste affects the environment and encouraged them to minimize the use of plastic.

Dr.D. S. Bormane
Principal

The remaining 14 volunteers started to work for making the soak pit as requested by the villagers. The volunteers started by marking the pit of size 4ft X 4ft and started digging the pit. The pit of 5 ft height was dug by the volunteers in about 4 hours. Then, a ready cement tank of size 4 x 3.5 ft. was lifted by the volunteers and set in the pit. The pit was then filled with rocks, stones, bricks and mud.

The volunteers thus completed this work within 8 hours work. The volunteers enjoyed a cup of tea after the work was completed and then everyone departed towards college with a feeling of satisfaction. The team had a great time with the villagers and students of the primary school in the village.

Event Report:

On 16 August 2018, severe floods affected the south Indian state Kerala, due to unusually high rainfall Discharges; Landslide during the monsoon season. It was the worst flood in Kerala in nearly a century. Over 483 people died, and 15 are missing according to the news. Many people died in this flood and many lost their homes and belongings. Large numbers of families get affected due this natural disaster. The relief operation was carried out by whole Nation. As a part of this relief drive our NSS volunteers also collected funds, food items, clothes, etc for the help of these people. The collected fund handover to the government agency for delivered to the affected people. The students, teaching and nonteaching staff were donated as per their wish. We were started the Kerala help line.

Event Report:

“THE PATHS MAY CHANGE AS LIFE GOES ALONG, BUT THE BOND BETWEEN A BROTHER AND SISTER REMAINS EVER STRONG.”

The soldiers of our India are the brothers of every Indian. As they protect us from enemies on the border staying away from their home and family. It is always difficult to stay without our family and then also these soldiers decide to protect our motherland. Like every year this year also a special event was held on Rakshabandhan. Considering that the bond of protection is not gender specific, NSS volunteers sent Rakhis along with Letters to Jawan. Near about 450 Rakhis and greeting letters were sent to Indian Armed forces.

NSS volunteers were given five days time to prepare a special card with messages and submit it to the office along the rakhis. These rakhis were well packed with the cards and posted on the border to the soldiers. Soldiers celebrated rakshabandhan with a very happy feeling and were emotional too as they received a lot of love this day.

Dr.D. S. Bormane
Principal

That was the day when sisters and brothers of Soldiers poured their gratitude towards Indian Army and to be thankful to our INDIAN ARMY by expressing our brotherhood relation through this GREETINGS and RAKHI.

Participants: Teaching, Non-Teaching Staff and Volunteers

Participants: 150+

Date: 07/09/2018

Time: 7:00 am

Venue: AISSMS, COE.

Event Report:

The NAAC committee visited to our institute in the month of September 2018 for physical evaluation. The NAAC accreditation identifies the quality of the institute in terms of its education, research, faculty, infrastructure, etc., as well as giving students confidence that they are selecting a quality institution. During the NAAC visit NSS played an important role since from the receiving to the end of the visit. The NSS volunteers welcome the committee in a traditional Maharashtrian method. Then at every activity the NSS volunteer guided the committee during the physical verification. The NSS volunteers acts like an assistance to the NAAC committee. The NAAC committee members visited to NSS office and dialogue more than half an hour on the activity implemented by NSS department at various location and in adopted villages. Finally, the NAAC committee appreciated by hearts the efforts taken by the NSS volunteers for the social development. The NAAC committee put the excellent four line remark in the final draft of report.

Time: 10.00 am –02.00 pm

The National Service Scheme unit of AISSMS COE Pune had arranged a one day visit to the village Kalyan and Kondhanpur to carry out various activities related to the development of the village as well as the primary school in the village. The volunteers reached in the village at 9 am and got distributed into different teams, one team was associated with the work of repairing the slide and the other team was bestowed with the work of repairing the monkey frame. The third team was given the task of preparing the site for the installation of above-mentioned instruments. Firstly, the slide and monkey frame was repaired by welding the suitable parts and then these instruments were installed at their place by use of precise concrete foundation along with the necessary reinforcement. Total 55 volunteers participated in the activity. The activity was concluded by painting the instruments with a water proof oil paint. Thus, the volunteers gifted the school students with the playing instruments. The program was concluded by a vote of thanks by a village school student of second standard. The volunteers returned to college with a feeling of gratitude and happiness.

Event Report:

“The POCSO awareness program has been conducted at ZP School, Kondhanpur on October 02, 2018. The teaching faculty and NSS volunteers guided to the school children. The POCSO Act was enacted in 2012 and is gender neutral — it recognises that boys can be victims of sexual violence as well. It defines a child as someone under the age of 18. The Indian Penal Code does not recognise that sexual assault can be committed on boys. The awareness of **Protection of Children from Sexual Offences Act, 2012** among the parents, children and teaching and non teaching staff is important. The volunteers conducted various activities like games, good touch, bad touch importance and necessity of the aforesaid act etc. The activity was conducted under the guidance of programme officer, principal and teaching and non teaching staff members of ZP school. The little students ask so many queries and volunteers resolve the same up to the satisfactory level.

Time: 11.00am

Venue: ZP School Kalyan

Event Report:

Disposing solid waste is not really a fairly easy job. There are a lot of things that should be taken into consideration like public health, transportation, proper storage, proper collection, etc. Failure to abide by rules and protocols might lead to accidents or risk the health of people in the region. Solid WASTE MANAGEMENT is extremely important in your community mainly because it will prevent your household from experiencing the hazardous outcomes of solid waste material. By getting rid of most of these waste matter properly, you can actually protect your loved ones along with the environment. This means that your young ones along with your grandchildren are able to experience the good thing about nature. The Solid waste management awareness program has been conducted by the volunteers in the adopted villages. They prepared the displays and take the round in the village and interact with the villagers and clean the villages. The entire program was carried on December 12, 2018.

Participants: Teaching, Non-Teaching Staff and Volunteers

Participants: 400+

Date: 26/01/2019

Time: 10:00 am

Venue: College campus.

Event Report:

Trees are essentially human and other living organisms' livestock. They have unconditionally provided us with food, oxygen, and a variety of other necessities for human survival, such as shelter, medicines, tools, and so on. In this context, the NSS unit initiated the tree plantation drive to make the campus green and less carbon level and improved the oxygen level. The coconut and other beneficial sapling were planted with the hands of secretary, Chh. Malojiraje, Joint secretary, Sh. S. P. Shinde, Treasurer, Sh. Ajay Patil, principal, D.S. Bormane and all other dignitaries were present for the program.

Event Report:

On 14 February 2019, a convoy of vehicles carrying security personnel on the Jammu Srinagar National Highway was attacked by a vehicle-borne suicide bomber at Lethpora (near Awantipora) in the Pulwama district, Jammu and Kashmir, India. The responsibility for the attack was claimed by the Pakistan-based Islamist militant group Jaish-e-Mohammed. The attack resulted in the deaths of 44 Central Reserve Police Force (CRPF) personnel.

All India Shri Shivaji Memorial Society has come forward to help martyr's families by raising fund through a donation drive organized in college campus of AISSMS College of Engineering. Funds were collected through the donation drive which was arranged on 20th to 22nd February, 2019. NSS Volunteers took initiative in collecting funds from students, faculties and non-teaching staff of college. Collection from teachers reached to ₹ 86,500/-, While collection from non-teaching staff reached to ₹ 27,250/-, and from student collection of 23430/- was done. Total amount collected through this drive was ₹ 1,37,180/-.

Event Report:

All India Shri Shivaji Memorial Society's College of Engineering National Service Scheme Unit organized a camp on Naturopathy. Naturopathy **aiding human system to remove the cause of disease**. Nature is the greatest healer. The human body itself has the healing power to prevent itself from disease and regain health if unhealthy.

In this context, On Wednesday, 21st February 2019 the Naturopathy Camp was organized for which the guest was Dr. Ravindra Wakale from Nature Care Centre, Sangli. He explained us about what is Naturopathy and Ayurveda. He told us the causes of many diseases and their modern solution and natural solution. He also stated the advantages of many herbal medicines like Behada, Hirda, Manjistha, Alowera, Raktachandan, Shikekhai, etc. More than 60 people did the nadi parikshan and advised them the benefits of naturopathy.

Event Report:

As we all know, blood is an important fluid that flows in our body. It is so important that if we lose excess of it from our body, we can die. But we are very lucky to have a blood transfusion process that can help save the lives of the people. The lives can only be saved if we have enough blood for the transfusion. Hence, blood donation is the only medium that can help us. People around the world donate blood which helps treat people with ill- health. Due to this noble cause the "National Service Scheme" unit of All India Shri Shivaji Memorial Society's, College of Engineering had organized a Blood Donation Camp On The Occasion Of International Women's Day. Dr. Ganesh Rakh was invited as chief guest for inauguration of blood donation camp. The Camp was organized with Regional blood bank, Sasoon Hospital, Pune. Every donor were given refreshment after donating their blood and awarded with the certificate from Blood Bank. Due care was taken by NSS Volunteers that programme goes on smoothly. Around 125 bottles of blood were collected.

Event Report:

On the occasion of International Women's Day the All India Shri Shivaji Memorial Society's College of Engineering had organized various activities for the women/girls from college campus. The primary importance of self-defense is **for women to be able to protect themselves against anything that's unacceptable in terms of social conduct**. There is nothing more empowering than having the confidence to analyse a dangerous situation and take actions to overcome them effectively. Taking in consideration the security of women, this activity was initiated. To protect themselves from the dangerous situation, NSS unit planned the activities for Girls and Female Staff was the Self Defense Training. All the ladies should be self-secured and should be able to defend themselves when in problem. The self-defense trainer were invited for the program who taught many self-defense skills to all the ladies present. They also showed some practical demos during training. Around 110 girls and ladies staff from various Institutes across campus participated in the activity.

Event Report:

The power to vote for your country is an important part of a democratic country like India. While many in our country are eligible to cast vote, few are enthusiastic about it and some are lethargic. But they do not aware they are the agent of the change, it's right, every vote valuable and it count. On 13/03/2019 All India Shri Shivaji Memorial Society's College Of Engineering National Service Scheme Unit has organized a voter awareness camp in the college. The purpose of the camp was to motivate the youths for voting and also give them knowledge about the new system of NOTA. The Indian government has made it possible for voters to cast their ballots even if they are unsatisfied with any of the candidates. NOTA stands for None of the Above, and it's a crucial vote for individuals who aren't satisfied with any of the candidates. NOTA voting means that none of the candidates are suitable. NOTA votes are counted, but if the majority of the votes are NOTA, the party with the next largest majority will be elected.

Event Report:

This Independence day Government of India had taken an initiative of creating awareness among the people regarding fitness. In this FTII i.e. Film and Television Institute of India contributed by making a short film named HUM FIT TO INDIA FIT encouraging participation of NSS students from all the colleges.

AISSMS COE NSS Unit responded actively by showing participation of total 19 volunteers in this short film. The short film included about 150 NSS volunteers, showing their talent in various forms like dance, lazim, lathi-kathi, karate, yoga, etc. The duration of short film was 4 minutes which released on 15th of August. The main theme of short film was to make people aware regarding importance of fitness by doing regular exercises and practising yoga. This message was passed on with the help of song hum fit to India fit on which traditional sports and culture of India was shown.

Event Report:

On 04/03/2019 the NSS Unit of our college has organized a one day seminar on water conservation and biodiversity. This program was mainly planned for civil engineering students. Around 150 students were present for the seminar. Dr. Abhijit Ghorpade, professor, SPPU, Pune was the chief guest and the resource person. He has delivered the speech in session I and session II. The workshop inaugurated in presence of principal Dr. D. S. Bormane, Head of the departments, teaching and non teaching staff. In session I Dr. Ghorpade elaborated the geographical and soil nature of Maharashtra state. And the water resources of Maharashtra state. The natural water resource made by Chh. Shivaji Maharaj on each fort still do not have shortage of water. The hidden technology is not understood till today. That is really a magic work by the people in 16th century. Till today it is a challenge in front of the engineers.

In the second session the biodiversity has been explained to the audience. Our state and nation are rich by biodiversity. But because of elevated population and pollution and due to climate change the biodiversity has been reducing. Dr. D.S. Bormane, Principal sir and Dr. N.N. Shejwal has been conducted the session how technology has been used to save our earth and biodiversity so that our ecology will be safe for future generation.

In the democracy, voters are playing an important role in the election process. In India the people are not very much aware about the power of their vote. Many times, it is observed that the youth and the other people are not serious about the election process and not turning towards the election booth for casting the vote. The election commission taking various remedial action for improving the percentage of vote. The youth above 18 years old don't know about their voters' registration. In this context, the election commission and Savitribai Phule Pune University, National Service Scheme and AISSMS College of Engineering, Pune has organised the one-day workshop on voter awareness for program officer and NSS student coordinators of university region. More than 100 NSS program officer and volunteers were participated.

DAY 1::TUESDAY::08/01/2019

The NSS team left the AISSMS college of engineering early in the morning and arrived at the destination, Malwandi (Dhore), a village situated in Maval Tehshil in a couple of hours. All the

Dr.D. S. Bormane
Principal

accessories were unloaded and the team settled in the Zilla Parishad School and everyone had their lunch. The co-coordinators divided the NSS volunteers into 7 groups, the work was also divided accordingly and a schedule was set up for 7 days. The groups were named based on the great fighters as Shivaji Maharaj, Sambhaji Maharaj, Tara Rani, Rani Laxmibai, Shahu Maharaj, Razia Sultan, Peshwa Bajirao. The group leaders held a meeting with their team and discussed about the activities to be performed and then initiated the work. Some groups went for the survey to every house of the village and informed the villagers about the programs conducted by the NSS unit. Meanwhile, one group helped in the kitchen. Other groups cleaned up the surrounding area and initiated the Swaccha Bharat Abhiyan. A few teachers from the college came to the camp and showed their support. At the end of the day, a guest lecture was conducted in the vicinity of the temple; located in the heart of the village. The guest speaker was Vinay Rama Raghunath and he imparted upon the students his knowledge about science and instances about life of Mahatma Gandhi and how the students could learn from his teaching and how the engineering students could innovate ideas for village development. Later, everyone had their dinner and washed their own vessels. At the end, Shejwal Sir declared to end the day with a few motivational words to boost the students for the next day.

DAY 2::WEDNESDAY::09/01/2019

The camp was given a kick start by waking up early in the morning at 5 am to perform yoga. The volunteers performed different yoga

Dr.D. S. Bormane
Principal

postures like Trikonasana, Padmasana and Shavasana. All NSS volunteers performed Suryanamaskar, Pranayama and meditation. Volunteers got the chance to know how yoga embodies unity of mind and body. Prayers, NSS songs and national anthem were sung after the exercises and yoga with great enthusiasm. The delicious breakfast was served after that. There were 3 groups that were associated the job of area cleaning, especially the streets. They were sent in three different directions to cover up the entire surrounding. The volunteers collected paper and plastic waste on the streets and its vicinity. The weeds on the streets which reduced the width of the road were removed in a large quantity. Following the cleanliness activity, was the inauguration ceremony of the Special Residential Camp wherein the Panchayat Samiti Sabhapati Shri. GulabKaka Mhalaskar, Dy. Sabhapati Shri. Shantarambapu Kadam, Sarpanch Smt. Ranjana Dhore, Dy. Sarpanch Smt. Suvarna Dhore, AISSMSCOE Principal Dr.D.S.Bormane and other prominent members of the village council were invited. They welcomed the NSS team with warm regards. Dr N.N Shejwal, PROG. Officer introduced them to the NSS unit. All the dignitaries were welcomed and felicitated by Dr. D.S. Bormane. He presented them with a computer for the village school on behalf of the entire NSS unit. The village website was also launched on this auspicious day by the Panchayat Samiti Sabhapati. A 'Tree Adoption Scheme' was implemented in the village which majorly included of Ashoka and Coconut trees. The villager showed great enthusiasm for the same. The Sarpanch thanked the volunteers and co-coordinators for their efforts and ensured a warm stay in the village. After the lunch the students attended the seminar of the Guest Shri. Manohar Khake, an international agriculturist, who guided the audience on various topics about how agriculture and engineering are related and how to get best outcomes using basic scientific techniques. At the end of the day group discussion was conducted on the topic 'Agricultural Engineering'; wherein the volunteers discussed the modern and traditional methods of farming and their pros and cons. There was a cultural program immediately following the GD which included a folk song throwing the light on various social issues. The volunteers had their dinner. The program officer collected the feedback from the team and then flagged off the day.

DAY 3::THURSDAY::10/01/2019

The volunteers performed their daily warm up exercises and yoga and had their breakfast. The groups were allotted their tasks and they immediately headed off to their work. Tree plantation was done throughout the major crowded popular places in the village like the school, temples and the roads. The trees planted included ashoka, mango, tamarind, coconut etc. The public walls were painted with a fresh coat to beautify the village. This took around 4 hours to complete. Volunteers then had their lunch. The volunteers took a survey as they interacted with the villagers and asked them about their concerns and needs. The villagers spoke about it with open hearts. After the interaction they also offered to show around the farms and other places in the village. Volunteers learnt about the crops grown, irrigation and their cultivation

techniques. In the evening, a guest speaker, Jr. Makarand Ananspure was invited who spoke about 'significance of humor in personality development' and focused the importance of humor in our daily hectic routines. He stressed over the point of making humor a part of our busy life by cracking some jokes in the speech to lighten the mood. Following to that was the group discussion on the trending topic "#metoo" wherein the volunteers took active participation and put up their points boldly and clearly. In the cultural program a skit was put up by a group which showed how addiction to alcohol and smoking ruins our health and lives. Everyone learnt something that night and applauded them with great enthusiasm. The dinner was served and the volunteers headed off to sleep after giving feedback of the daily routine.

DAY 4::FRIDAY::11/01/2019

The volunteers woke up at early in the morning and performed their yoga. The sung various songs invoking national respect and a boost to work for the nation. The groups were allotted tasks to do. One group was allotted the kitchen duty. A few groups were allotted for painting the houses and social places; the others were allotted for creating soak pits. The idea was to paint all the houses and public walls in the same color with a fresh coat to beautify the village. After seeking the permissions from the villagers and authorities the work began. Most of the houses were painted yellow in color. After painting of the school, more attention was paid to making the place more child-friendly. Numerous intricate paintings were done with quotes below them with a message for students. After school, a group of 6 students took their daily classes. The students were taught to sing and dance over folk songs which they enjoyed pretty much. Simultaneously, another class was taught computer literacy. The children were made aware about new computer technologies. The 'soak pit' group inspected the locations and then immediately started their work. They dug out soak pits at various location where needed. 6 soak pits were planned to be dug, designed by volunteers from civil engineering with dimensions of 4ft x 4ft x 4ft. The work was halted as in got dark in the evening. Harish Butle, a social server who runs the foundation 'Saadgram' was invited who enlightened the volunteers what a smart village was and how to build it. A street play was held by a group following that, which put up the idea of clean village and garbage disposal through their creative characters. Then group discussion took place on the topic 'does god exist or not?' the crowd put up their points open mindedly wherein how wrong religious activities should be curbed were also discussed. The feedback of the day was collected by the program officer and the day was flagged off

constructed. All the garbage that could be decayed into fertilizing matter was collected and put up in the pit. Worms from farms were passed through it for boosting up the fertilizing process. The painting job was also completed. All school painting and decoration was completed. Ex-NSS volunteers were invited to show the school students about the working of the drone. A hand on experience was given to them. They were shown various techniques about how it could be used in agriculture for spraying pesticides, water and for inspecting the fields. The school students then attended their daily computer literacy and spoken English classes conducted by NSS volunteers. In addition to this, sports activities were taught to these village children, which included playing by proper rules, making them aware about various sportsperson and following true sportsmanship. These sports included cricket, hockey and volleyball. The students were keen to learn and they seemed to have a lot of fun. After lunch, a session was conducted by the volunteers to train the villagers about E-transactions and how it will be useful to achieve digital India. artist Anil Kengar was invited who performed a local form of folk song 'Bharud' for the volunteers and villagers who showed how they should inculcate the spirit of NSS in their life and help everyone in need. He also highlighted various problems in society. Following to that, group discussion was held amongst volunteers on the topic 'education system in India'. Volunteers also danced on a patriotic song to create a patriotic awareness amongst the villagers and the NSS unit. At the end of the program, feedback was collected and instruction were given about the next day.

DAY 6::SUNDAY::13/01/2019

The day began by performing yoga and suryanamaskar in the dawn and the volunteers began there to Tikona fort. The volunteers carried all the necessary material needed for cleaning the fort. After reaching the fort, the volunteers immediately picked up the all the plastic and paper waste at the foothill. They also picked up the waste as the climbed up the fort. At the top of the fort, they reconstructed a wall in ruins by collecting the lying stones towards the sides by the chain-passing method. It made the job quicker to finish. Letter of appreciation was collected by the fort authority regarding the same. The volunteers also learnt a lot about the fort; the culture and historical importance of it. On the way back they also stopped by the Pawna dam to pick up the plastic waste thrown by the tourist. After reaching the camp the volunteers had their lunch and removed more weeds off the road edges thus expanding the road width. The planted trees were also watered. A guest speaker named Ajit Abhyankar, an expert economist was invited to guide the volunteers and villagers about the Indian economy, its reforms and how to contribute to improve it. He also spoke about ideas how the volunteers could get a change in the social and monetary being of the nation. Following to that a group discussion was held on the topic 'intolerance' wherein they discussed about intolerance causes and effects. They spoke about it by putting up various examples like beef-ban, religious intolerance, political intolerance and international intolerance. 'Live and let live' was the accepted conclusion about this discussion. Following to that a song was performed on patriotism by volunteers and a skit that showed the hardships of farmers and how he should rise out of it. The farmers in the audience gave a huge applause for getting into lights their problems by the volunteers and thanked for the solutions. The volunteers had their dinner, gave feedback and slept off.
