**REPORT**

All India Shree Shivaji Memorial Society's College of Engineering, Pune National Service Scheme organized a Yoga for well-being session on the occasion of International Yoga Day. International Day of Yoga is celebrated to honor the traditional practice of yoga, which emanated in India. At a time when our fast-paced lives are becoming too tiring and unhealthy for us, Yoga helps in reducing stress and anxiety, besides providing physical relaxation. Dr. N. N. Shejwal and Dr. M. M. Kondhare coordinated the whole event.

### REPORT

A webinar named 'Disha Pragatichi' was conducted by National Service Scheme and Unnat Bharat Abhiyan, AISSMS College of engineering Pune through Microsoft Teams. Nowadays many students desire to pursue higher education in developed countries but many of them get misguided. The institute filled this gap by inviting College alumni Mr. Rushikesh sonawane who is residing in Germany, working as a research analyst at statista GmbH, Stuttgart. The webinar was started with memories of Shejwal sir with Mr Sonawane. After that host of the webinar introduced guest speaker to students and then Mr Sonawane started with some of his college days memories. He discussed about his decision to study abroad and about technical things he managed. Students asked various questions regarding education in Germany, how to choose institute, need of German language, scope for career in various industries in Germany and Mr Sonawane answered all these questions with clarity and simplicity. At last he talked about life in Germany and his future plans. There was huge response from students and truly this webinar was very much useful for those who wanted to study abroad.

### REPORT

All India Shri Shivaji Memorial Society's College of Engineering, Pune-01, National Service Scheme unit on 24th September 2021, visited Kalyan village, Pune. Our NSS volunteers initiated Tree Plantation drive. Required equipment's were provided by the villagers. Proper survey of plant locations was performed with the help of locals and tree plantation was successfully completed under the presence of Sarpanch Shri. Rajesh Dimble, other former members of Gram panchayat, Medical Officers, Principal Dr. D. S. Bormane Sir, Programme Officer Dr. N. N. Shejwal Sir. Around 10 saplings were planted and villagers were made aware of importance of the plants and to take care of them. Volunteers participating in the activity followed all safety measures in Covid-19 era and contributed towards protection of our environment..

**REPORT**

All India Shri Shivaji Memorial Society's College of Engineering, Pune organised a free Eye check-up camp on 24th Sept 2021 celebrating the occasion of NSS DAY in the village "Kalyan". The camp started around 11am after the greetings and inauguration of the events lined up. Two eye specialists were arranged for this camp. Firstly all the villagers willing for the check up were asked to enroll their names and provide the Aadhar Nos. outside. Then one by one they were asked to first of all sanitize their hands and only then enter the check up area. There was one volunteer appointed to look into this. After that the check up was being held in two steps - 1st being to read out the letters closing one eye alternatively and 2nd was their eyes were machine checked by the eye specialist and then given advice accordingly. Also the villagers discussed the problems that they faced related to their eyes with the doctor. Once the whole check up was done villager could also get spectacles according to the nos. they were given by the doctor. There were 3 volunteers coordinating all this. The check up went on for almost 4 and a half hours.

No. of Participants	Male	Female	Staff	Others	Total
	3	2	1	50	56

### REPORT

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme has conducted a Computer Literacy session for school students at ZP School , Kalyan, Tal. Haveli, Dist. Pune. The purpose of this study was to investigate students' perceptions of computer literacy skills they had obtained prior to enrolling in a university and to develop implications and recommendations for teaching a college-level computer course. Students were asked to identify their skill level in various types of software and their exposure to computer concepts and issues. In our contribution we focused on finding out the information and computer literacy of high school students. Many of them were familiar with the computer and the parts. Even they knew a little about the software part of the computer. We found that the main activity of students on the internet is the search for information (e.g. themes on essays, complementary information to the curriculum...). It means that computer literacy of students is improving.

#### Glimpse of the Event

### REPORT

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit on 24 September 2021 conducted an activity on Women Literacy at Kalyan village, where NSS volunteers interacted with the women of the village.

During the interaction the following points were observed:

- The women in the age group of 50-70 are mostly illiterate. Few of them are familiar with the basics of the language (Marathi) like the alphabet & numbers.
- The women in the age group of 30-50 were mostly educated up to primary school or secondary school. There were a very few of them educated up to higher secondary school.
- The age group below 20-30 included women's almost educated many of them were educated up till higher secondary & so on, in which few of them do some job.
- The rest were school-going girls.

The women who are illiterate or have just basic education were asked if they would like to learn now.

### REPORT

On the occasion of the Mahatma Gandhi Jayanti, AISSMS College of Engineering in association with National Service Scheme and Unnat Bharat Abhiyaan organised a program named Symbol of Knowledge. The honorary chief guest for the program was Dr. Vishwambhar Choudhary. Dr. Choudhary, enlightened us about the tremendous efforts put forth by Mahatma Gandhi for bringing the nation together. He also emphasised on the efforts put by Gandhiji to bring so many people together from various states and borders that too in the absence of social media. Having this amount of following without any internet or online promotion is itself an achievement. Choudhary sir moreover told us that Gandhiji was a believer of change, of growth. Gandhiji, himself improvised, changed and crafted his ideologies as per the requirement of time and space. And that's a must thing we should learn from him, study him and his work thoroughly, but bring into practice the only ideas which have the potential to serve people today. Choudhary sir quoted. With saluting Bappu's work and encouraging the audience to selflessly work for the nation as a primary duty, Choudhary sir ended his speech. The Questionnaire was followed by a thanksgiving.

### REPORT

All India Shri Shivaji Memorial Society's College of Engineering, Pune organised a free Eye check-up camp on 13th Oct 2021 in "Tulapur". The camp started around 11am after the greetings and inauguration of the events lined up. Two eye specialists were arranged for this camp. Mr. Parag Mate and Mr. Raj Dekhmukh visited Tulapur village. All the villagers who were willing for the check up were asked to enrol their names and provide the Aadhar Nos. outside. Then they were asked to sanitize their hands and only then enter the check up area. There was one volunteer appointed to look into this. After that the check up was being held in two steps - 1st being to read out the letters closing one eye alternatively and 2nd was their eyes were machine checked by the eye specialist and then given advice accordingly. Also the villagers discussed the problems that they faced related to their eyes with the doctor. Once the whole check up was done villagers could also get spectacles according to the nos. they were given by the doctor. There were 3 volunteers

**Report**

Tree plantation is the great step to save earth. Plantation of trees and plants aids in making the environment better. It purifies the air, conserves water, helps in climate control, preserves soil and benefits the overall environment in several other ways. On 5th oct,2019 National Service Scheme unit planted Ashoka and Jamun trees in Tulapur. Mr. Parag Mate and Mr. Raj Dekhmukh were had visited to Tulapur village. National Service Scheme unit of AISSMS COE,PUNE under guidance of P.O.: Dr. N. N. Shejwal sir spread awareness about tree plantation in Tulapur. So , the villagers also took initiative to plant trees in their surroundings.So, in Tulapur village National Service Scheme unit distributed fruit sapling of Ashoka and Jamun to villagers willing to plant trees in surrounding of their house. By planting trees in their surrounding it will be easy for them to take care of the trees. This initiative is really appreciable and was possible because of the efforts of UBA unit and P.O

### REPORT

All India Shri Shivaji Memorial Society's, College of Engineering, Pune-01, National Service Scheme unit on 13 October 2021 conducted an activity on Women Hygiene Importance at Tulapur village, where NSS volunteers interacted with the women of the village. Mr. Parag Mate and Mr. Raj Dekhmukh had visited Tulapur village. We provided information to women of Tulapur village like :Poor intimate hygiene can affect your sex drive, cause fertility issues and some infections begin from your privates but slowly spread to the entire body which can be fatal.

- **Many people link intimate hygiene with women**, but keeping your privates clean and healthy is equally important for men.
- **Washing hands regularly** is the single most important hygiene step in fighting the spread of bacteria and other germs. Keeping hands clean is one of the most efficient ways to fighting the spread of bacteria and other germs

## REPORT: BREAK THE BIAS WORKSHOP

International Women's Day, a day celebrating the social, economic, cultural and political achievements of women. This day also marks a call to action for accelerating gender parity. Significant activity is witnessed worldwide as people come together to celebrate essence and achievements of women. Marked annually on March 8th, International Women's Day (IWD) is one of the most important days of the year to celebrate. To honor womanhood, Department of Electrical Engineering and Computer Engineering in association with Institution of Engineers, India (IEI), Electrical Chapter and National Service Scheme organised a session, "Women- the RISING and SHINING batten" on 8<sup>th</sup> March 2022. Prior to the programme, an online competition for girls was held. The competition invited a summarised video clip by the participant (student/guardian) of success story raising her family in the most difficult circumstances/ major achievement or recognition in the family and her contribution in the society. There were two winners selected and felicitated on the day of event. There were two chief guests, Dr Sangita Gaikwad, Director, Vedamurt Skylar Panchkarma Center and Adv. Charushila Suresh Koyalikar, Civil Consumer, Woman Criminal Lawyer. The event was attended by over 60 female pupils. The programme was initiated by the NSS officer of the college, Dr. N N Shejwal who focused on women empowerment and gender equality. The event followed by a speech by the Principal, Dr DS Bormane. He highlighted the importance of women, their role in every sphere of life. Both Heads of Department, Dr DP Gaikwad, guest of honor, Dr. Sangita Gaikwad, made the event livelier. She stressed on the theme of the occasion, "Break the bias". Our chief guest, Adv. Charushila Koyalikar talked about women rights and various articles in the constitution claimed for women and girls in India. The event was concluded with a vote of thanks by the anchors. The event was successfully coordinated by Prof. SR Lengade and Prof. Ritu Dudhmal. There were a few fun activities and a free hemoglobin checkup camp organized for females by the NSS students, after the programme. Thanks to Shree Malojiraje Chattrapati, Honorary Secretary, Mrs.Madhurima Raje Chattrapati, Principal, Dr.D/ S. Bormane and heads of department for providing a platform in order to conduct various activities.

## NSS Pre-RD Camp

### Kavayitri Bahinabai Chaudhary North Maharashtra University

#### Report

I, Prasad Devanand Bagul of AISSMS College Of Engineering, Pune, Savitribai Phule Pune University, am very honored to share my experience of Pre RD camp held at Kavayitri Bahinabai Chaudhary North Maharashtra University, Jalgaon where I got the opportunity to show my skills and also to improve them. I got the best experience of being in a very high level camp like Pre RD where I learned a lot of new things and for surely I'll be using this new knowledge in upcoming time. it was really a new life changing experience and a lifetime learned lesson which will be remembered forever. I'm glad that my PO sir gave me this opportunity in the first place and showed his trust in me to go ahead and give my best, just like me there were other 194 volunteers who came there with a hope of selection and a heart full of excitement to learn and experience something new.

Volunteers from West Zone states like Maharashtra, Goa, Deudaman, Gujarat, Andrapradesh, Telangana were also present for the selection. I got a chance make new bonds with them and to share and learn each others culture

If I start from the beginning; my first day at camp started great! when I reached at my hostel where we got clean and tidy rooms to stay for 10days, we were made comfortable by the organizing committee members who were there for us 24 hrs. and also our contingent leaders who took good care of us and motivated us to perform on stage with full confidence. Everyone in the camp was very supportive when it came to our volunteers health as well as their food intake and moral support.

we had quiet a busy schedule from morning till night, my day used to start with Yoga at 6am in which Jeevan Kumar sir taught Suryanamaskar and its 7 steps : 1)Pranamasana 2)Hasta Uttanasana 3)Hasta Padasana 4)Ashwa Sanchalanasana 5)Chaturanga Dandasana 6)Ashtanga Namaskar 7)Bhujangasana and lastly with Stretching and exercise yoga session used to end at 7am. then at 8am all the contingents used to go for parade practice where Dr Saheb Padalwar sir and parade committee taught all the volunteer stamping march, aedi march, dayne mud, bay mud, saavdhan & vishram. lastly with stretching the session used to end at 10am. again at 1:40pm we used to have our Educational session where few big personalities used to speak about; how NSS helps volunteers for personality development they used to give examples of few nss volunteers who received national medals for their devoted behavior and for social service of people and how nss volunteers worked even during pandemic times to help others. few quotes about youth and future generation, social work and personality development and at last the educational session ended with vote of thanks. In the evening time again the parade used to begun at 3pm and ended at 5pm. and at 6pm the cultural program used to start where all the State contingents were given 45 minutes to perform where each state performed their cultural dance Garba done by Gujarat's contingent, then Deudaman contingents showed their Portagieez dance,

## NATIONAL SERVICE SCHEME

then Telangana contingents showed their folk dance Perini tandhavam, then Andrapradesh showed their cultural dance Utti medha kudu , then Goa did their cultural folk dance Kunbi, and Maharashtra contingents showed their cultural dance laavni and lezim each culture showed their diversities and beauty of their states where we learned new themes and love for their culture and traditions...we enjoyed the end of schedule with appreciating others, exploring their culture and performing ourselves and exhibiting our own culture to them and in the end with our tired and happy self after the dinner we used to get a very good sleep at 10:30pm. In between the schedule of these 8 days one day was given for swacchat abhiyaan where all the volunteers walked to a village named Bhambori where everyone helped the sarpanch to make the village clean and beautiful , that day we all felt the unity of all the states and the feeling of proud of being NSS Volunteers! the last two days were given to the selection procedure where on the 9th day we showed our solo performances and skills to the judges and on the 10th we had our parade/drill test. after the test it was time for us to pack our bags and say goodbye to all the new friends, our respected contingent leaders and committee members. with a smile on my face and a heart full of memories i left the Jalgaon University in a hope to encourage upcoming volunteers to devote a little time of their life to National Service Scheme ! Not Me But You !

## REPORT

On the 1st day of camp , i.e., 28-2-22,science exhibition at school. On February 28th, 2022, a special residential camp at Kalyan village was planned by AISSMS College of Engineering Pune ,NSS unit with 75 students. The students ate their lunch after they had placed all of their belongings and bags. After that, a team was formed and then everyone was assigned to some tasks ,like we had to bring water from the well for the preparation of dinner. **Our NSS volunteers held** a Science Exhibition for the students in which our NSS volunteers showed various science projects to school students. In the evening we had a guest lecture by Mrs. NandiniJadhav on how superstition is a social curse. All 73 volunteers managed and conducted the programme from their respective fields under the supervision of programme officer Dr. N. N. Shejwal and NSS coordinators. We got a chance to interact with each other on the first day.

### REPORT

On the 2<sup>nd</sup> day of camp, i.e., on 1-3-22, The day began at 5:30 am with a yoga session for camp and a motivational speech by Dr. N. N. Shejwal, sir. At 8 am, breakfast was given to everyone. After breakfast, everyone got instructions for their activities and started the cleaning. We started cleaning the place with immense energy. We cleaned the stones, plastic wrappers, bottles, etc. During this task, many of our team members got hurt due to torn gloves. The area was cleaned to such a level that the villagers were impressed . We did another task of digging land for tree plantation. This task was also completed in no time. After the tasks, we were called to welcome Mrs.PoojaParge Tai, who is the chairman of the Women and Children's Development Department of ZillaParishad, Pune. She was welcomed with warm greetings from everyone. She gave us her valuable advice and, after that, on the inauguration of our camp, the tree plantation was done by her and she left for other work.

## NATIONAL SERVICE SCHEME

On the 3<sup>rd</sup> day of camp, i.e., on 2-3-22, We had to trek to Sinhgad fort. We had a great lecture by Mr. Manohar Khake, sir. A trek to the auspicious and marvellous Fort Sinhgad, which was very informative and motivational. We had such a motivational lecture by Mr. Manohar Khake, sir. The day began at 5:30 am with an early trek to Fort Sinhgad . The sunrise from the peak was mesmerising and satisfying. We did a cleanliness drive at Sinhgad fort at the place where we were distributed. We all descended till lunch time and all had a fulfilling lunch. After lunch, everyone took a little rest and started to do their assigned work, like painting. We painted the entrance wall of Kalyan village. In the evening, the guest gave an informational as well as motivational session to all students. After dinner, the cultural performance of team Shivallik started and they performed a skit on "Past Raigad and Present Raigad". They also performed dance.

### REPORT

On the 4<sup>th</sup> day of camp, i.e., on 03-3-22, the day began at 5:30 am with a yoga session. On this day, we carried out the activity of painting in the village . The guest lecture is done by Mr. Ayush Prasad. First of all, we cleaned the surrounding area around the places where we are going to paint. After the painting task, we were allotted the classes to teach the students in the school. After that, we had a lunch break and then back to the teaching work. We were allotted classes from 1st to 10th. This was a great experience for all of us. We enjoyed a lot while interacting with them. On this day, the evening lecture was initiated by Mr. Ayush Prasad, who was our guest. He has such a friendly nature . In his busy schedule, he gave some time for us. It's such a pleasure for us . It

### REPORT

On the 5<sup>th</sup> day of camp, i.e., on 4-3-22, we had our kitchen and cultural activity. We got up early in the morning at 5 o'clock. All the boys went to fetch the water for making breakfast from the well. After that, we cleaned the premises area of the school by doing sweeping. Other team members were helping kale mama with making breakfast. A few were washing the dishes. We made pohachivda for breakfast. The arrangement of seats was so cool. Then we moved to plan further things for the day. We started writing the script for today's "Pathnatyaa". After some time,

we started to prepare lunch. The menu for lunch was Masurdaaltadka, varan, rice , chapati, and pickle. We made some changes in chapati making, making chapati a bit larger in size with oil. The count of chapatis was around 200. And that was loved by everyone. We also helped some women to bring water from the well.

### REPORT

We had computer literacy, cleaning, and village beautification duties on the sixth day, or 5-3-22. Digital literacy among the people is important and necessary for their improvement and the improvement of the village. The day started at 5:30 am with a camper yoga class. Day began with self-defense instruction given to students by our volunteers, followed by a computer literacy survey. We were instructed to complete a digital survey after lunch until 4:00 PM. Then Mr. Anil Kengar sir gave a talk to us about social awareness. Following the session, we had dinner. Our seniors came to visit us that day in the evening. A cultural group presented their work.

### REPORT

On the last day of camp, i.e., on 6-3-22, the programme was initiated by Mr. DhananjayNarwade to introduce the topic "How to become an entrepreneur." The first thing he said was how to get success in your life and how he succeeded in becoming an entrepreneur. He told us about all the difficulties he faced while starting his business and motivated us with his successful story. We had a great Bharud by Mr. Anil Kengar. The cultural team performed their performances. In between, a group of Kalyan school girls performed their performance. Mr. DhananjayNarwade told us his past experience of how to become an entrepreneur. In the Bharud Session we were much entertained by Mr. Anil Kengar. He is such a great person. It was such a hilarious part of the day. After that, on the last day of this NSS camp, we had our campfire. In this, each and every one has shared their thoughts about this NSS camp.
