Subject: Sponsorship for 20thAISSMS Engineering Today 2025: 29-30 September 2025.

Dear Sir/Madam,

The AISSMS College of Engineering, established in 1992, is an autonomous institute affiliated with Savitribai Phule Pune University. It is located in the heart of Pune city and conducts AICTE approved UG and PG courses in Artificial Intelligence and Machine Learning, Chemical, Civil, Computer, Electrical, Electronics and Telecommunication, Electronics Engineering (VLSI and Design Technology), Mechanical and Robotics and Automation and and Research Programs in Chemical, Civil, Computer, Electrical and Mechanical Engineering. It has been our constant endeavor to provide opportunities for the development of the students in curricular, co-curricular and extra-curricular activities.

As a part of our continuing efforts in that direction, every year, we organize an Annual Event **AISSMS Engineering Today** (A National Level Students' Technical Symposium). This year, we are organizing this event on **29-30 September 2025**, at our educational complex in Pune. The engineering students from all over India are invited to exhibit their talent by participating either physically or virtually in various events, viz. Aero Task (Drone), Robo Soccer, Robo Wrestling, Robo Race, Poster, Paper, Laser War, Quiz, Mock Placement etc. In this, Total **19 technical events** are organized in collaboration with the industry and Professional bodies, who sponsors the awards for the events.

Over the years, the event has been supported by reputed sponsors, including Bank of Baroda,

Crompton Greaves, IMechE, Global Opportunities, ITM Navi Mumbai, MSEB, Vidyalankar, T.I.M.E., among others.

We are pleased to invite your esteemed organization to join us as a sponsor.

Benefits include:

- Display of banners at prominent locations.
- Logo on participant certificates (confirmation by 22/09/2025).
- Circulation of flyers/promotional material.
- Social media promotion.
- One seminar session on our campus.

Your valued support will help us encourage talent and ensure the success of Engineering Today 2025.

Thanking you.

Yours faithfully

Dr D S Bormane
Principal
