An Autonomous Institute Affiliated with
Savitribai Phule Pune University

Accredited by NAAC with "A+" Grade | NBA - 7 UG Programmes

All India Shri Shivaji Memorial Society College of Engineering – Pune
Date: 29th & 30th April 2026
Mode of Conference: Hybrid

6th National Conference on Innovation in Engineering and Technology - (NCIET 2026)

About Host Institute

The All India Shri Shivaji Memorial Society (AISSMS) was established in 1917 by Late H H Shrimant Shri Shahu Chhatrapati Maharaj of Kolhapur to promote the noble cause of education. The AISSMS COE, Pune is a co-education Institute established in 1992. The College of Engineering is affiliated to the Savitribai Phule Pune University Pune. AISSMS COE conducts AICTE approved courses leading to the degree of Bachelor of Engineering (BE) in eight engineering streams and Master of Engineering (ME) in seven Engineering streams and two PhD program. The seven Programs of the Institute are NBA accredited. AISSMS COE is also accredited with "A+" Grade by NAAC in cycle-2 with a grade of 3.47 and awarded as "Best Engineering College" in Urban region in 2019-20 by SPPU Pune. The college is Grouped under "Gold Category" as per AICTE-CII survey of Industry Technical Institute 2020 and Ranked 39th among top 155 Engineering college in India by Times Engineering Institute Survey 2020. AISSMS COE also recognized as one of the Best Engineering College in India by Business Connect, 2020. The College has highly qualified and experienced faculty on its roll. The College gives substantial emphasis on the teaching learning process and holistic development of students.

About Conference

This 6th Conference will serve as a dynamic platform for researchers to address contemporary challenges and explore the latest advancements in emerging technologies and their real-world applications. It will showcase peer-reviewed technical research papers presented across multiple specialized tracks. In addition, a keynote address by a distinguished expert will provide valuable insights into current trends and future directions. This interactive forum aims to foster meaningful discussions and enhance participants' understanding of ongoing developments in technological research.

Objective of Conference

The conference aims to provide a collaborative platform for students, research scholars, academicians, scientists, engineers, and industry experts to present their innovations and exchange ideas in the ever-evolving field of technology. It strives to enhance participants' technical expertise and broaden their knowledge by keeping them aligned with the latest advancements and emerging trends in the industry.

Call of paper

Electronics & Telecommunication

1. Signal Processing
2. Power Electronics and Electronic Devices
3. Microelectronics and VLSI design
4. Machine Learning and Artificial Intelligence
5. Internet of Things
6. Wireless Communication system

Chemical

1. Chemical Process Intensification
2. Process Modeling and Simulation
3. Sustainable and Green Energy
4. Environment and Sustainability
5. Material Science and Nanotechnology

Computer/AIML

1. Security and Cloud Computing
2. Network and Information Security.
3. Application of Artificial Intelligence and Data Science.
4. Application of Optimization Algorithms
5. Big data and Block chain
6. Machine learning
7. Neural Networks
8. Computer Vision
9. Natural Language Processing

Electrical

1. Electric and Hybrid Vehicles
2. Energy Harvest and Storage
3. Power quality in grids with distributed generation and renewable energy
4. Electrical Power and Control
5. Smart Grid Technology
6. High Voltage Engineering

Mechanical and Production

1. Design Engineering
2. Thermal Engineering
3. Industrial Engineering and Management
4. CAD/CAM/CAE
5. Advanced Materials and Manufacturing
6. Machine Design

Civil

1. Structural Engineering and Structural Audit
2. Construction Management and Construction Techniques
3. Environment and Water Resources Engineering
4. Geotech and Infrastructure Engineering
5. Remote Sensing and GIS

R & A

1. Applied Robotics
2. Industrial Automation
3. Advanced Automation
4. AI in Robotics

Important Dates

- **Conference Date: 29th & 30th April 2026**
- **April 20, 2026: Last date of Paper Submission, extended to April 23**
- **April 23, 2026: Notification of Acceptance**
- **April 26, 2026: Camera ready Submission**

Camera ready Submission

- Original quality papers may apply for paper publication
- Registration Fees Rs.500/- (Includes publication in proceeding of NCIET 2026, Breakfast & Lunch for registered participant)
- For additional attendee Rs.400/- extra
- Quality and presented papers will be communicated to Peer-reviewed Journal based on quality and review of paper.

- ◆ Additional Publication charges will be applicable for Peer-reviewed Journal.
- ◆ A similarity of 10% or lower is considered acceptable for publication.

Paper Submission

Paper format- IEEE standard paper format.
