About Society

The All India Shri Shivaji Memorial Society (AISSMS) was established in 1917 by Rajarshi Chhatrapati Shahu Maharaj of Kolhapur to promote the noble cause of education to all strata of society especially the underprivileged and economically backward class. The Society started a Day School and Jr. College in 1972. To keep up with the changing times, in the year 1992, AISSMS made a foray into higher and technical education. Today, besides running residential and Day School and Jr. College, AISSMS runs a world-class College of Engineering, Institute of Information Technology, College of Hotel Management & Catering Technology, College of Pharmacy, Institute of Management, Polytechnic and Private Industrial Institute with a wide spectrum of disciplines. We can truly boast of imparting world-class education from KG to PG with state-of-the-art equipped facilities for studies, research work and co-curricular and extra-curricular activities.

About Engineering College

As an educational Institute, it becomes our prime responsibility to provide industry-ready and globally employable engineers to strive to positively impact society and create a notable change. Thus AISSMS College of Engineering, Pune has strived above and beyond to serve society through providing quality education. The All India Shri Shivaji Memorial Society's College of Engineering, Pune (AISSMS COE) was established in 1992 and is approved by AICTE, New Delhi. The College is recognized under sections 2(f) and 12(B) by UGC. It is recognized by the Government of Maharashtra and affiliated with the Savitribai Phule Pune University (SPPU), Pune. It is the first Institute to be accredited with an A+ grade by NAAC (3.27 CGPA) in the first cycle & has successfully achieved A+ grade accreditation with a CGPA of 3.47 in the second cycle by NAAC, and 7 UG programs have received NBA Accreditation. The College within a short span has established itself as one of the best Engineering College in Maharashtra and also in India. AISSMS College of Engineering received the "Best Professional College" Award in Urban Category by Savitribai Phule Pune University (SPPU), Pune. This institute is located in the heart of Pune city having a sprawling campus of 11 acres with a large sports ground that is used for various sports competitions, parades and events.

Today, engineering is at its zenith with innovative advancements in technology continuously encouraged by the zeal of mankind to achieve beyond what the mind can think. Engineering is just another word for innovative ideas being brought to life. The primary driving force for most of the new inventions is the need of human beings. From the beginning of time, man has been on a constant journey of radical change right from the invention of the wheel to the latest technology of flexible screen being designed to be incorporated in Mobile phones. Every sphere of engineering and technology are putting hard efforts to better themselves daily, bringing mankind to new and higher horizons. These spheres of Engineering include specializations like Computer Engineering, Electronics and Telecommunication, Electrical, Mechanical, Civil, Robotics & Automation Engineering, Mechanical Sandwich Engineering etc. These branches, and many more, have their special importance in the development of the various technologies and have also created many opportunities for research, placements in private, public and government sectors, entrepreneurship development, internships etc.

Every branch of engineering has a special part to play in the advancement of humanity and in turn engineers have a special call to play their role efficiently to give back to society in the form of technological and infrastructural development. It is very important to become aware of the influence that each specialization has on the lives of young engineering aspirants not only in terms of providing them with enormous job opportunities but also giving them the power to impact the development of society for the bright future of the generations to come.

Recognized as an Autonomous Institute under Savitribai Phule Pune University (SPPU), AISSMS College of Engineering offers a flexible, industry-oriented, and outcome-based curriculum.

Vision

- Service to society through quality education

Mission

- Generation of national wealth through education and research
- Imparting quality technical education at the cost affordable to all strata of the society
- Enhancing the quality of life through sustainable development
- Carrying out high-quality intellectual work
- Achieving the distinction of the highest preferred engineering college in the eyes of the stakeholders

Core Values

- Leadership and Cultural heritage
- Honesty and Integrity
- Freedom of Thought and Expression
- Excellence
- Accountability and Transparency
- Encouragement
- Social Responsibility

Goals

- To inculcate learning habits
- To create an environment to make the students creative and innovative
- To promote project based learning
- To strengthen industry – institute interaction
- To ensure continuous improvement in quality
- To develop entrepreneurship skills
- To nurture the spirit of team work
- To catalyze all – round development of students
- To develop technologies for sustainable development

#About Sandwich Course: Benefit and Importance

The Mechanical Sandwich course provides an opportunity for students to get exposure to the industrial environment and to interact with industry professionals during one-year industrial in-plant training as an essential component of a four-year Degree course. Over time, several new developments have taken place in this specialization to meet the needs of the modern industry. Such as CNC, DNC, machine centres, automation special purpose machines etc. Rapid Prototype Quick Product Making Machines, 3D Printing New Product Making Machines save a huge amount of time from Designing to Manufacturing. The use of Data Science, Artificial Intelligence and Machine Learning has greatly increased in the recent past. Currently, special efforts are being made at the level of large-scale metallic 3D printing parts, which have become profitable at a professional level to some extent.

The Sandwich Pattern came into existence for the students to get in-depth knowledge and experience of the upgraded machinery and technology and to be aware of the new prevailing technology. According to this pattern, out of the four-year course, the Student of Mechanical Engineering Sandwich spends one year i.e., two semesters for in-plant training in the industry where he/she is introduced to the recent industrial culture which adds to their knowledge. During one year of industry experience, students get the opportunity to work on real-life problems. The students thoroughly examine the issues at hand and complete the assignments given to them based on the same and later their knowledge is tested. A person from the industry acts as an external examiner for the examination. Throughout the year, the student learns important aspects of self-development and personality development such as professional ethics, communication skills, work organization, leadership skills, confidence, organizational skills etc through which he gains progress and stability in the future. This experience enables a student to have innate work skills, motivation and effort, acceptance of opinions, ability to make decisions, emotion and creativity.

The main advantage of this pattern is that the students undergoing in-plant training are keenly observed, and potential students are identified and often offered jobs in the industry where they served their training tenure. Training helps students to develop their critical thinking, problem-solving ability, observation ability, project management, and finance management, group working skills, leadership quality and the other skills required to complete their engineering degree and establish a fruitful career. The idea of Industry work culture is induced deeply into the students. Students also get the opportunity to work on significant mini-projects. Due to this in-plant training, the attitude of the industrialist towards the prospective graduates has completely changed. Since the student is aware of the challenges of the corporate environment, the student becomes industry ready and can prove beneficial to the work sector. The industry also saves the cost of training the student so he is more likely to get a job immediately.

The Sandwich course is of four years duration and is recognized by AICTE, New Delhi and the Government of Maharashtra. The Degree is awarded by Savitribai Phule Pune University. The Sandwich student training is essential as per the university curriculum and it is also recognized by the Board of Apprenticeship training as per Apprenticeship Act – 1973. The placement of students in the industry is done by College. The training is conducted in reputed industries like TATA Motors, Thermax, SKF Bearing, JCB, John Deere, Volkswagen, L'OREAL, Mercedes-Benz, GM, Crompton Greaves, Sandvik Asia, Forbes Marshall, Alfa-Laval, Bosch etc.

Admission Process

The admission procedure will be done as per the rules prescribed by the State Common Entrance Test Cell, Govt. of Maharashtra including the eligibility criteria. Please visit State Common Entrance Test Cell website www.mahacet.org (<http://www.mahacet.org>), for details about admission procedure, Eligibility criteria for admission and other rules.

The candidate interested to secure the admission under Institute Level quota and vacant seats (if any), after CAP rounds, in this College should apply in the prescribed application form available in the College Office as per the schedule and procedure notified by the College from time to time. The admission process will be carried out as per the Govt. of Maharashtra State Common Entrance Test Cell information Brochure published every year. Kindly visit College website www.aissmscoe.com (Admission) for details.

Procedure for Reporting to College, Submission of Documents & Payment of Fees

The candidate admitted to this College through Centralised Admission Process (CAP) carried out by the Govt. of Maharashtra State Common Entrance Test Cell as per the schedule notified by them from time to time on their website www.mahacet.org will have to follow the following procedure for Reporting to College, filling of Admission Form, Submission of Documents & Payment of Fees.

A) Filling of Admission Form & Payment of Fees

The students should follow the following procedure to fill the admission form & pay their fees online

- Step I** - Click on Sign Up button for new Registration in ERP. Fill the Registration form with all necessary fields
 - Step II** - Click on "Create" Student's Self Registration, you will get self-registration user id and password on screen. Click on "Yes" to proceed.
 - Step III** - Login in the ERP system with your Username and password. Fill out all details in all respective fields. Upload necessary documents in JPEG, PNG, format with less than 200KB size. After filling all Mandatory Details Student Will Send the application for approval Click on "Send for Approval" button to submit the form.
 - Step IV** - After Approval of the Student's application your will get ERP User Id and Password will get generated and sent to the student via Email or SMS. (Student can change the password when they login with valid credential)
 - Step V** - Login to ERP portal to Make Online Payment through Payment Gateway ERP.aissms.org. After successful payment your admission process will be completed
- (Note: Candidate needs to carry two sets of Photocopy of original documents along with all original documents with him/her at the time of admission)*
- Step VI** - After submission of admission form, fees payment and all required document to student section your admission status will be updated on State Admission Cell Portal.
 - Step VII** - The candidate should collect following documents before leaving student section.
 - 1) Fees Payment Receipt. (With college seal/stamp)
 - 2) Original documents submission receipt.
 - 3) Online Admission Confirmation letter.

After online transfer of fees it is necessary to submit print of bank generated UTR No. / Ref. No. along with fees challan to the college.

(B) Documents to be submitted by candidate with the admission Form along with 2 sets of photocopy & Soft copy of same to be uploaded at the time of filling of online Admission Form

(I) For First Year Admission (Candidate to arrange the documents as given below)

Note : All students are instructed to keep handy scan copy of all the original documents. As once submitted, documents will not be provided for scanning & photocopy.

C) College Fees

For details of Fees to be paid at the time of admission, please refer "Fees Structure" under <Admission> available on College website <http://aissmscoe.com/admission>.

D) Hostel Accommodation

Hostel accommodation is available for boys and girls on First cum first serve basis. For information regarding Hostel accommodation visit College website www.aissmscoe.com/admission/Boys/Girls Hostel information.

Important Note

All candidates admitted to this College should note that before leaving the College premises / campus, they should ensure that they have collected following documents from Office:

(A) Online Admission Confirmation Letter. **(B)** Fees Payment Receipt. **(C)** Document Submission Receipt.

All candidates should note that College will not be responsible if they fail to follow the Admission Procedure and if they fail to confirm their admission online.

Anti Ragging Rules & Procedures

(As per AICTE regulation on curbing the menace of Ragging in Higher Educational institutions 2009, hereinafter called the “Regulations”)

What is Ragging?

“Any Conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or junior student.”

Ragging is a Social Crime. As per above referred AICTE “Regulations”, Ragging is strictly prohibited in the College Campus as well as outside the College Campus. All students are hereby informed not to indulge in any kind of Ragging activity either directly or indirectly. A strict action as per AICTE “Regulations” will be taken.

(A) For Senior Student:

The senior student should note that they should not engage themselves in any kind of Ragging activity inside as well as outside of College Campus. Strict action as per above” AICTE “Regulations” will be taken against them if anybody is found indulging in Ragging activity.

(B) For all Students & Parents / Guardians:

All the students and their Parents/Guardians should carefully read and fully understand the provisions contained in the said AICTE “Regulations” (Copy of the said “Regulations” is available in student section office). All the students and their Parents/Guardian should submit the Affidavits along with the Admission form at the time of Payment of fees. The student who fails to submit the Affidavit will not be granted admission in the College.

AISSMS'S COE ensures Zero Tolerance towards Sexual Harassment

Zero Tolerance towards sexual Harassment is a violation of women's right to equality, life and liberty. It creates an insecure and hostile work environment. College has Internal complaints committee for creating awareness on this topic and on receipt of a written complaint it will initiate proceedings as per the guideline.

Sexual Harassment at workplace (Prevention, Prohibition and Redressal) Act, 2013 defines sexual harassment as

1. Unwanted physical contact and advances
2. Uninvited demand or request for sexual favors.
3. Unwanted sexually coloured remarks.
4. Unwelcome display of pornography.
5. Any other unwelcome physical, verbal or nonverbal conduct of a sexual nature.

On receipt of written complaint further actions in the matter will be taken by College as per procedure given in Sexual Harassment at workplace (Prevention, Prohibition and Redressal) Act, 2013.

Scholarships

Thirty-six students from AISSMS COE benefited from the scholarship program offered by Yuva Unstoppable. In addition to regular government scholarships, students can avail themselves of the following private scholarships.

► List of Scholarships :-

The Institution of Engineers | Cummins India Foundation | Lila Poonawalla Foundation | Deccan Maratha Education Association | Cybage Khushboo Katalyst (Scholarship for Women Empowerment) | Mudita Alliance Educational Scholarship | Deutsche Bank Scholarship | Institution of India (IEI) National Level Scholarship.

Library

The Library has 37364 print books and 16544 Ebooks. Total 91 National level print journals and 1016 international e-journals are subscribed from various database like Science Direct, IEEE, ASME, ASCE and McGrawHill.

Library fosters a vibrant community of readers by hosting a variety of national and international workshops, author events, and book exhibitions. Additionally, we recognize outstanding readers through our prestigious "Best Reader" award.

Remote Access facility is made available for students so they can access E- Resources from home. Mobile application to access resources facility is available. Library has a computerized data access system with SLIM21 Software & RFID system for effortless management and proudly hosts a vibrant local chapter of the NPTEL initiative.

It also has a membership in other libraries of reputed organizations like VSI, ARAI, etc.

Co- Curricular And Extra-Curricular Activities

Every year AISSMS COE conducts following events in College Campus :

- Engineering Today: The Inter Engineering students Technical Symposium and Exposition to showcase their technical knowledge
- Ashwamedh: The Inter Engineering students Sports and Cultural competition to showcase their sports and cultural talent
- Shivanjali: The student Social Gathering and Prize Distribution Function
- Chhatrapati Shahu Maharaj Football Trophy: A State level Inter-Collegiate Football Tournament
- Chhatrapati Shivaji Maharaj Cricket Trophy: A State level Inter-Collegiate Cricket Tournament
- Yoga Education
- Visual Arts
- Art of Photography & short film making
- Applied arts and fine arts

- Innovation & creativity
- Basics of fire safety
- Design thinking

Events organized on online Platform :

- Sports Events: Fit India Freedom Run, Webinars Conducted on Fitness Challenge & 21 Days Yoga Campaign etc
- Cultural Events: Quarantine's Got Talent, Unlock 2020, Band Baaja Halad – YouTube Premiere, Shab -E- Ranj-YouTube Premiere, Dajikaka karandak and Purshottam karandak, Firodya Karandak
- Social Awareness Events: Tobbaco Deaddiction, Women Literacy, Student Literacy, Human Rights Day, World Environment Day, Blood Donation Camp etc held by NSS & Unnat Bharat Abhiyan
