

AISSMS
COLLEGE OF ENGINEERING

ज्ञानम् सकलजनहिताय
Accredited by NAAC with "A+" Grade

FAQ Bank

- 1) What affiliations does the college have?

Answer: College is affiliated to the Savitribai Phule Pune University, approved by DTE Maharashtra and AICTE New Delhi.

- 2) Is college accredited by NAAC/NBA?

Answer: Yes, AISSMS COE is accredited by NAAC with A+ Grade and process for NBA Accreditation is going on.

- 3) What is the procedure for getting admission in your college?

Answer: The candidate can take admission in the college through Government of Maharashtra, Centralized Admission Process (CAP) and through Institute Level Quota. For taking admission Entrance Examination score of MHT-CET or JEE-Exam is compulsory.

- 4) What are the documents required for Admission?

Answer: The details of documents required as per the respective category of candidate is given under Information brochure on Website: www.mahacet.org or you can also visit college website: <http://aiissmscoe.com/> for details.

- 5) What is the criterion of institute/ management level seat?

Answer: Please contact our admission cell: M.No.9657531679

- 6) What documents are required for admission to first year and DSE?

Answer: All original documents are required. For more specific details on document checklist please visit the Website : www.mahacet.org

- 7) What is the fees of College?

Answer: College fees for Academic Year 2020-21 is Rs. 1,40,000/- . The details of Category wise Fees i.e, OPEN, OBC, VJNT, SC, ST, EBC, EWS etc is given on college website : <http://aiissmscoe.com/> under admission head.

- 8) Does college have hostel facility?

Answer: Yes, We have boys and girls hostel.

9) Is there any scholarship facility in the college?

Answer: All Government of Maharashtra schemes like EBC, OBC, ESW, SC/ST, NT, SEBC, etc are implemented in college. Fees Concession is granted as per the respective schemes. For more details kindly visit our college website : <http://aissmscoe.com/>.

10) What is the student intake in each specialization/branch?

Answer: For the Courses offered and Intake you can refer website: <http://aissmscoe.com/academics/courses-offered/>

11) Which are the best companies for placements?

Answer: Our Major Recruiters are: TCS, Cybage, Honeywell, Harbinger Group, IBM, HP, Hexaware Technologies, L&T Infotech, Virtusa, Intelliment, Quinnox, Fobres Marshall, Thermax, Godrej etc. For more details you can check the link: <http://aissmscoe.com/placement/our-prime-recruiters/>

12) Where can we find Cut off marks of last year?

Answer: Kindly visit <http://aissmscoe.com/admission/first-year-u-g-admissions/>

13) Students who didn't appear for MHT-CET or JEE (in the year seeking admission), can they take admission for Engineering?

Answer: No. The MHT-CET/ JEE Score is compulsory for taking admission in Engineering.

14) Can a student who has completed Diploma, take admission in First Year Engineering if he is not getting DSY admission?

Answer: Yes, but only if he has appeared for MHT-CET and/or JEE of the current year.

15) Can I complete the course on a part time basis?

Answer: No. Our institute provides all full time courses only.

16) The total course is divided in how many semesters?

Answer: The Four Years full time degree course is divided into 8 semesters.

17) When will the institute return my original documents collected at the time of admission?

Answer: Your original documents will be retained by the Institute until the completion of the first year of engineering. We will however give you an acknowledgement for your original documents.

18) What is the difference between B.E. and B.Tech?

Answer: Practically there is no difference in B.E & B.Tech, B. E. is Bachelor of Engineering & B. Tech. is Bachelor of Technology. In the state of Maharashtra most of the Universities have named the engineering course as B.E while IIT's & few autonomous institutes have named their programmes as B.Tech.

19) Are the students trained to be placed in big MNC's?

Answer: Yes. We train our students in soft skills to appear for aptitude test and GD.

20) Do you focus on regular placement activities?

Answer: We have regular activities of Campus placement going on in the college and also we have tie-ups with some of the job-placement agencies for off-campus placement.

21) Does college take extra efforts for Students who are interested in post-graduation?

Answer: Yes, Each department conducts expert lectures and seminars, motivates and guides students for appearing for GATE, Toffel, GRE etc. We also helps our students for recommendation in foreign universities.

22) What is average package offered by any company to Student?

Answer: Kindly contact the TPO of our institute for the same.

23) Can other then Computer branch students appear for software placement drive?

Answer: Yes. Nowadays many software companies have requirement of students of other branches of Engineering and they allow other then Computer branch students to appear for software placement drive.

24) How many students got placed this year?

Answer: You can find the placement data on the following <http://aissmscoe.com/placement/students-selected/>

25) What are the college hours?

Answer: College hours are Monday to Friday from 8 AM to 4.30 PM.

26) How far is the college from Pune Station, Bus Stand and Airport?

Answer: From Pune station, we are about 0.5 kilometre, Bus stand is 1 km and from the Airport it is 7 kilometres. The college is in the heart of the city and is well connected by road, train and long distance bus services.

27) Do you have canteen/food court in college campus?

Answer: Yes. We have canteen and cafeteria in campus.

38) What all courses are offered by your institute?

Answer: AISSMSCOE offers Under Graduate and Post Graduate programs in Engineering:

Under Graduate Programs :

1.Chemical Engineering 2. Civil Engineering 3. Computer Engineering
4.Electrical Engineering 5.Electronics and Telecommunication Engineering 6.
Mechanical Engineering 7.Mechanical Engineering Sandwich 8.Production
Engineering Sandwich.

Post Graduate Programs :

1.Chemical Engineering 2.Computer Engineering 3.Civil Engineering(Structures)
4.Electrical Engineering(Power Electronics & Drives) 5. E & Tc (VLSI & Embedded
Systems) 6.Mechanical Engineering(Automotive) 7.Mechanical Engineering (Design).
You can visit website for more details:

<http://aissmscoe.com/academics/courses-offered/>

39) What are the seats reservation norms for the admission?

Answer: The reservation of seats and eligibility Criteria for Admission are as per DTE Rules

- 65% seats are reserved for Maharashtra State candidates having domicile certificate of Maharashtra. The details of domicile can be checked by visiting Website : www.mahacet.org under admission type. These seats are filled on the basis of MHT-CET score only.
- 15% seats are reserved for All India quota. These seats are filled on the basis of JEE score and the candidate from Maharashtra and Outside Maharashtra State can apply for admission under this quota. Domicile certificate of Maharashtra state is not required for applying under this quota.
- 20% Seats are filled through Institute level quota and both Maharashtra and Outside Maharashtra State candidate can apply for admission under this quota. It is compulsory for the candidate to register online on Website: www.mahacet.org for taking admission under this quota.
- Candidate should have passed HSC (Std. XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Mathematics are compulsory and optional subjects are Chemistry / Biology / Biotechnology & Technical Vocational. Choose any one from optional subject and secured a minimum of 50% marks (45% in case of Backward Class candidates).

- After Centralise Admission Process (CAP) if any seats are vacant then such seats are filled at the institute level under Vacant seat round as per the admission procedure.
- GOI nominee and J & K migrants have a quota of one seat in each department. They have to apply to Directorate of Technical Education (DTE), Maharashtra State for release of seats.
- Further all candidates are informed to compulsorily visit Admission authority Website : www.mahacet.org for complete details of Admission Procedure, Eligibility, Documents requirements and other guidelines from time to time.

40) What are Production S/W and Mechanical S/W courses?

Answer: The Mechanical and Production Sandwich courses provides an opportunity to students to get exposed to the industries environment and to interact with industry professionals during one year industrial in plant training as an essential component of four year Degree course. The students have to undergo industrial in plant training in the second semester of third year and first semester of final year for six months each. The placement of students in industry is done by College. The training is conducted in reputed industries like TATA Motors, Thermax, SKF Bearing, JCB, John Deere, Volkswagen, L'OREAL, Mercedes-Benz, GM, Crompton Greaves, Sandvik Asia, Forbes Marshall, Alfa-Laval, Bosch etc.

The Sandwich courses of four years duration and is recognized by AICTE, New Delhi and Government of Maharashtra. The Degree is given by Savitribai Phule Pune University. The Sandwich students' training is essential as per the University curriculum and it is also recognized by Board of Apprenticeship training as per Apprenticeship Act-1973.

The students who have completed their Sandwich courses certainly get benefited by the one year in-plant training the undergo as these students get weight-age of such training. When they apply for their master's admission in us Universities also many industries give placement to students in some industry where they undergo in plant training. Also during campus placement these students get advantage as they have one year industrial in plant training experience.

Now as per new policy of AICTE, every student is required to undergo Internship in industry. So our Sandwich students have benefit of such industrial training as part of their syllabus and course.
