Vision

Service to Society through quality education.

Mission

Generation of national wealth through academics and research.
Imparting quality technical education at cost affordable to all strata of the society.
Enhancing quality of life through sustainable development.
Achieving the distinction of highest preferred engineering college by stake holders.
Carrying out high quality intellectual work.

From Principal's Desk:

I'm glad to signify that with commencement of this year 2025-26 AISSMS College of Engineering has completed 33 grand years of its establishment. AISSMS COE has an outcome of academic excellence achieved, is consistently producing University gold medalists and top rankers in different branches of engineering. Faculty is actively involved in research and development. College has a number of very high-end analytical, computational and experimental facilities at the disposal of students. We are going to concentrate more upon the Engineering Research activities and use those for students and society welfare. I am confident that the College is in a position to deliver the best theoretical and practical training to the students and offer the best talent to the employers. I wish all the best to the aspiring students, employers and all other stake-holders in achieving their goals.

“Civil engineering is a profession that integrates knowledge from many disciplines to provide solutions to challenges faced by society”

From Editors Desk...

It gives us immense pleasure to hand over to you "Concrete People" the newsletter of Civil engineering department. The course leading to a bachelor's degree in Civil Engineering was started in the year 2002. Additional intake in 2012. The department also runs a PG program in Structural Engineering with intake of 18. The Department presently has highly qualified and experienced faculty on its roll. The activities in the Department are conducted, besides teaching, in the areas of research, training, alumni and Training and Placement. The present era and the challenging future, demands strong basic technical knowledge and continuous growth of engineering students on all facets. Therefore the department is bestowed with highly qualified and experienced faculty members with specialization in various disciplines of engineering and sciences.

Hope you will find this newsletter informative. Your suggestions for improvement in the newsletter are welcome.

From HOD's Desk...

The department offers undergraduate civil engineering programme of 120 intake since academic year 2002-2003 and post graduate structural engineering programme of 18 intake from the academic year 2011-12. SPPU Pune recently granted approval for the Ph.D. Research Center also.

The Vision of Department is to Nurture the talent in civil engineers to work as global leaders for development of society. In line with our vision, the Department has modern software and well-equipped laboratories for geotechnical engineering, fluid mechanics, material testing, environmental engineering and transportation engineering. Our Industry Institute Interaction Cell's mission is to foster closer collaboration between academic and industrial fields, We understand the need to create avenues for close academia and industry interaction in a 360 degree approach for all our students. Our students are thriving in the construction industry, as a result of the sincere efforts of the faculties and the cutting edge facilities offered by the Department.

"A good civil engineer doesn't merely design things; he makes things work."

The newsletter of Department of Civil Engineering

Concrete People

2025-26 (Term -I)

Vision

Nurture the talent in civil engineers to work as global leaders for the development of society.

Mission

- Provide quality education to develop competent civil engineers
- Create awareness among students for sustainable development
- Cultivate the leadership qualities for becoming successful entrepreneurs

Program Educational Objectives (PEOs):

- To produce civil engineering's who will be fully aware of the impact of their work on society, both nationally and globally.
- To achieve a high level of technical expertise to succeed in civil engineering practice and research.
- To develop civil engineers who acquire professionalism, leadership and commitment to professional development through lifelong learning.

Program Specific Outcomes (PSO's)

Graduates will able to:

- PSO1: Exhibit technical knowledge in planning, analysis, design and management for infrastructural development.
- PSO2: Apply the innovative technologies to address Civil Engineering problems of the society.
- PSO3: Enhance professional abilities to meet industrial need.

Short Term Goals

- To augment infrastructure and processes for enhancement in teaching learning.
- To extend assistance to students for competitive examinations, higher studies and entrepreneurship.
- To establish Research centre.

Long Term Goals

- To develop testing and consultancy facilities.
- To have cent percent Doctorate faculties.
- To strengthen collaboration with the reputed institutes and industries.

Staff Achievements

- ❖ Dr. V N Patil Coordinated MSME Idea Hackathon - 5.0 at Institute Level.
- ❖ Marathi Translation of the book titled “Civil Engineering : Societal and Global Impact” by Mr Chetan Misal is published under AICTE UDAAN Scheme in October 2025.ISBN:978-93-6027-820-5
- ❖ SPPU In-Semester examination- August 2025 successfully conducted by Department of Civil Engineering with efforts taken by Senior Supervisor Dr G C Chikute
- ❖ Civispark competition under Engineering Today-2025 successfully organized with efforts taken by Dr P R Satarkar and Dr V S Chavhan during 29th to 30th September 2025
- ❖ Dr (Mrs) S A Chavan completed Ph.D. from SPPU Pune in December 2025

Webinars/Expert Talks/FDP organized by Faculty

- ❖ Dr. P B Nangare, Dr. P R Satarkar and Dr S P Khedekar organized an Expert Session on “Awareness to Constitution of India” on 14th August 2025
- ❖ Dr V S Chavhan and Dr P R Modak successfully hosted IWWA Foundation Day program at AISSMSCOE on 10th October 2025
- ❖ Dr P R Modak organized Expert Session on “Awareness to ArcGIS and career opportunities in the area” by Ms. Ankita Sindhu on August 5th August, 2025
- ❖ Ms. V. V. Rokade & Dr. P. R. Modak organized One day Workshop on Advanced Surveying “Differential Global Positioning System” (DGPS) by Mr Mr. Vijay Thorat from (Lawrence & Mayo Pvt Ltd on 28th October 2025.

- ❖ Dr. K N Kulkarni and Dr. S S Bhuinyan attended One Week online “NEP Orientation and Sensitization Programme” conducted by Centre for Teaching Learning and Virtual Skilling by IIT Kharagpur
- ❖ Dr. S S Bhuinyan attended Two-week CEEE INAE training program at IIT Bombay
- ❖ Dr. V N Patil attended Seminar on MSME - IDEA HACKATHON 5.0 on 9th July 2025.
- ❖ Dr. M V Waghmare attended IUCEE Leadership Summit at Goa during 11th to 12th July 2025
- ❖ Dr. V N Patil attended FDP on Practical Approaches to Soil Improvement and Sustainable Geotechnical Solutions during 15-19 September 2025
- ❖ Dr. V N Patil attended Workshop on "Academic Research Coordination" organized by SPPU on 31st July 2025.
- ❖ Dr. D V Wadkar, Dr. K N Kulkarni and Dr. S P Khedekar attended one-week ATAL FDP on "Generative AI" organized by AISSMS from 4th to 9th August-2025.
- ❖ Mr V S Bhakare successfully completed NPTEL courses on Digital Land Surveying and Mapping (DLS&M) and Design of RCC structure during July to September 2025
- ❖ Dr. S S Bhuinyan successfully completed NPTEL course on Advanced Prestressed Concrete Design during July to September 2025
- ❖ Dr. S S Bhuinyan successfully completed certification course on Digital Productivity with AI
- ❖ Dr. S S Bhuinyan successfully completed NITTT Module-1 on “Orientation towards technical education and Curriculum aspects
- ❖ Dr. V N Patil attended a webinar on "Mobilizing IICs and Leveraging MIC Schemes" by Dr. Abhay Jere, Vice Chairman, AICTE and Ministry of Education on 2nd July, 2025
- ❖ Dr P R Modak and Dr S P Khedekar attended International seminar on Sustainable waste water treatment technologies in a circular economy on 9th October 2025

Students Achievements

- ❖ 11 students from BE Civil (AY 25-26) secured prestigious international placement with Takamatsu Construction Group, Japan with package of 23.5Lpa
- ❖ SE Civil Team (Team Zilla) of Rudra Satav, Shravani Pathak, Shashank Sanas and Omkar Tangature got shortlisted for next round of Smart India Hacathon-2025 at Hyderabad.
- ❖ 64 students of Department participated in O&D Survey of NH-65 in association with GMD consultants
- ❖ 51 students of AY 24-25 Batch have placed in various reputed companies and 17 students taken admission for Higher studies in various premier institutes
- ❖ Alumnae students Himanshu Satpute, Mahesh Jadhav, Atharva Vijay Patil, Akshay Anant Panchal, Tejas Vishwas Jadhav, Ashish Gunwant Pawar got selected as Land Surveyor in the Maharashtra Government's Land Records Department.
- ❖ Pratik Kale, Aishwarya Tanpure and Aishwarya Ingawale got selected as Town planning Assistant in Government of Maharashtra
- ❖ Aditya B. Shekhar and Samiksha M. Karandikar participated in University level Aavishkar Research Competition 2025-26
- ❖ Sujit K. Nazirkar and Samiksha M. Karandikar participated in zonal level Avishkar 2025
- ❖ Apurva Ajay Murkute from B.E. Civil won Runner-up prize in Zest 26, National level competition at COEP

Students Achievements

- ❖ Karansing Tatu and Vivek Mundhe from B.E.Civil completed certificated course in Autocad and 3DX max
- ❖ Karansing Tatu from B.E.Civil participated in Learning AI Workshop.
- ❖ Karansing Tatu from B.E.Civil completed certificated course REVIT.
- ❖ Om Shivdas Utekar from B.E. Civil participated in National Karate Championship 2025 held at Visakhapatnam on 27th to 30th November, 2025 organised by Okinawa sports karate Association, A.P., world karate & kick boxing union, Okinawa martial arts academy Binoryu karate & Japan Karate Shotokai-India - Gold
- ❖ Onkar Agalave from M.E. Structure participated in SPPU(IQAC) Avishkar -2025 Zonal Level Research Project Competition on 05.10.2025
- ❖ Yashwant Tupe from T.E. Civil participated in Pune Zonal Powerlifting Competition on 10th October 2025 organised by PCZS.
- ❖ Yash Varandal from T.E. Civil participated in Speech Competition of 5th National Youth Parliament Festival 2025
- ❖ Neel S. Metha published a paper on Crack classification and segmentation in RC beams using convolution neural networks and transfer learning in Asian Journal of Civil Engineering
- ❖ Maheshwari S. Pise published a paper on Improving seismic performance of base isolated structures with a hybrid U shaped steel damper as an isolator in Asian Journal of Civil Engineering
- ❖ Vishwas B. More published a paper on Experimental Analysis of Pre-Processing Methods to Improve Natural Fiber Performance in Concrete in Construction Materials (Proceedings of the ICE)
- ❖ Siddhesh S More presented paper on Effect of Phase Change Material and Silica Fume on Compressive Strength of Concrete in Two days international conference on Next-Generation Infrastructure: Green Technologies, Smart Cities, and Sustainable Energy Solutions

- ❖ Maheshwari S. Pise published a paper on Hybrid U-shaped steel dampers for advancing seismic isolation in building structures Asian Journal of Civil Engineering
- ❖ Ishani Toradmal published a paper on Comparative Analysis Of Properties Between Lightweight Expanded Clay Aggregate (LCEA) Concrete and Conventional Concrete in Meerayan Journal
- ❖ Naseem M. Sayyed published a paper on The Comparative Descriptive Research And Analysis of RCC Twisted And Traditional Buildings Using ETABS Software for Indian and American Codes in IJSREM
- ❖ Ayush Rajesh Parab and Apurva Ajay Murkute presented paper on Hybrid Fiber Engineered Cementitious Composites with CO2 Curing in ICERTRES-2026
- ❖ Krushna Tayade, Sanika Ubhe and Sukruti Patil Utilization of Banan Trunk for Treating Textile Industry Waste Water in International Journal of Scientific Research in Engineering And Management
- ❖ B.B. Bodkhe, R.D. Dhotre, T.B. Firodiya and S.V. Chavan presented paper on Geo-Polymer Concrete: An Experimental Approach Toward Sustainable Construction in IJIRT
- ❖ J. D. Mali, A. O. Panchal, H. D. Satpute and A. D. Suralkar published paper on Generation of Electricity Using Solid Waste Management in Pune Municipal Corporation in International Journal of Scientific Research in Engineering and Management (IJSREM) Volume: 09 Issue: 06 | June - 2025 SJIF Rating: 8.586 ISSN: 2582
- ❖ Ruchita R. Salunkhe published paper on Investigate the Compressive Performance of fiber Reinforced Concrete Advances in Composites and Materials (ACM 2025), Journal of Physics: Conference Series 3076 (2025) 012013

- ❖ SE Civil students Rudra Satav, Viraj Pol, shravani Pathak and Omkar Tangature won 1st prize in Smart India Hackathon organized at Jaipur on 7th December 2025.

DGPS training was organized for SE Civil students 4th November 2025

TE Civil Site visit organized at B G Shirke Construction Company, Moshi on 11th September, 2025

TE Civil Site visit organized at Pune Railway station on 31st October, 2025

An expert session on “Awareness to Constitution of India” on 14th August 2025

BE Civil visit at CWPRS organized on 08th September 2025

Expert Session on “Awareness to ArcGIS and career opportunities in the area” by Ms. Ankita Sindhu on August 5th, 2025

Indian Institute of Tropical Meteorology (IITM), Pune on 3rd September 2025

The Indian Water Works Association (IWWA) Foundation Day was celebrated on 10th October 2025 at AISSMS COE

Glimpse of Departmental Activities

Site visit for SE students at A. B. Vajpayee Medical College construction site, Pune on 7th October 2025.

Students Development Program for DSE students organized during 22th September to 17th October, 2025

Study Circle activity organized for SE Civil students on 29th July, 2025

M.E. (Structural Engineering) visit at Elite Residency Undri, Pune 14th October 2025.
