Vision

Service to Society through quality education.

Mission

Generation of national wealth through academics and research.
Imparting quality technical education at cost affordable to all strata of the society.
Enhancing quality of life through sustainable development.
Achieving the distinction of highest preferred engineering college by stake holders.
Carrying out high quality intellectual work.

From Principal's Desk:

At the commencement of this year, the College of Engineering has completed 33 grand years. AISSMS COE has an outcome of excellence achieved, is consistently producing lists and top rankers in different engineering. Faculty is actively involved in research and has a number of very high-end analytical, computational and experimental facilities at the disposal of students. We are going to concentrate more upon the Engineering Research activities and use those for students and society welfare. I am confident that the College is in a position to deliver the best theoretical and practical training to the students and offer the best talent to the employers. I wish all the best to the aspiring students, employers and all other stake-holders in achieving their goals.

“Civil engineering is a profession that integrates knowledge from many disciplines to provide solutions to challenges faced by society”

From Editors Desk...

It gives us immense pleasure to hand over to you "Concrete People" the newsletter of Civil engineering department. The course leading to a bachelor's degree in Civil Engineering was started in the year 2002. Additional intake in 2012. The department also runs a PG program in Structural Engineering with intake of 18. The Department presently has highly qualified and experienced faculty on its roll. The activities in the Department are conducted, besides teaching, in the areas of research, training, alumni and Training and Placement. The present era and the challenging future, demands strong basic technical knowledge and continuous growth of engineering students on all facets. Therefore the department is bestowed with highly qualified and experienced faculty members with specialization in various disciplines of engineering and sciences.

Hope you will find this newsletter informative. Your suggestions for improvement in the newsletter are welcome.

From HOD's Desk...

The department offers undergraduate civil engineering programme of 120 intake since academic year 2002-2003 and post graduate structural engineering programme of 18 intake from the academic year 2011-12. SPPU Pune recently granted approval for the Ph.D. Research Center also.

The Vision of Department is to Nurture the talent in civil engineers to work as global leaders for development of society. In line with our vision, the Department has modern software and well-equipped laboratories for geotechnical engineering, fluid mechanics, material testing, environmental engineering and transportation engineering. Our Industry Institute Interaction Cell's mission is to foster closer collaboration between academic and industrial fields, We understand the need to create avenues for close academia and industry interaction in a 360 degree approach for all our students. Our students are thriving in the construction industry, as a result of the sincere efforts of the faculties and the cutting edge facilities offered by the Department.

"A good civil engineer doesn't merely design things; he makes things work."

Vision

Nurture the talent in civil engineers to work as global leaders for the development of society.

Mission

- Provide quality education to develop competent civil engineers
- Create awareness among students for sustainable development
- Cultivate the leadership qualities for becoming successful entrepreneurs

Program Educational Objectives (PEOs):

- To produce civil engineering's who will be fully aware of the impact of their work on society, both nationally and globally.
- To achieve a high level of technical expertise to succeed in civil engineering practice and research.
- To develop civil engineers who acquire professionalism, leadership and commitment to professional development through lifelong learning.

Program Specific Outcomes (PSO's)

Graduates will able to:

- PSO1: Exhibit technical knowledge in planning, analysis, design and management for infrastructural development.
- PSO2: Apply the innovative technologies to address Civil Engineering problems of the society.
- PSO3: Enhance professional abilities to meet industrial need.

Short Term Goals

- To augment infrastructure and processes for enhancement in teaching learning.
- To extend assistance to students for competitive examinations, higher studies and entrepreneurship.
- To establish Research centre.

Long Term Goals

- To develop testing and consultancy facilities.
- To have cent percent Doctorate faculties.
- To strengthen collaboration with the reputed institutes and industries.

Staff Achievements

- ❖ **Dr. S. S. Bhuinyan** Nominated as a team member of Shiksha Sanskriti Utthan Nyas (SSUN) and AICTE, New Delhi, contributing towards educational policies and academic development initiatives
- ❖ Book Published by **Dr. V. S. Khanke**: Book title “Advanced Composites and Engineering Materials (2025)”. Publisher – REST Publishers Ltd., India. ISBN: 978-81-993817-8-0.
- ❖ **Dr. S. S. Bhuinyan** Organizing committee member for a National Level Three-Day Workshop on the “विकसित भारत@2047 के लिए शिक्षा”, from 29th to 31st May 2026 at SNDT Women’s University, Maharshi Karve Vidyavihar, Karve Road, Pune, Maharashtra. organised by Shiksha Sanskriti Utthan Nyas (SSUN) and AICTE, New Delhi.

Faculty Publications

- ❖ Dr. S. S. Bhuinyan: Presented paper on "Experimental Study On The Strength Of Geopolymer And Hybrid Concrete Incorporating Different Forms Of Nano- Silica With And Without Magnetic Curing" Proceedings of the 3rd International Conference on Advances in Engineering and Medical Sciences 17th and 18th April 2026, ISBN 978-81-69206-65-5.
- ❖ Dr. S. S. Bhuinyan: Presented and published and published paper on "Hybrid Fiber Engineered Cementitious Composites with CO₂ Curing: A Review on Mechanical Performance, Durability, And Sustainability" International Conference on Recent Trends and Research in Engineering & Science (ICRTRES 2K26), ISSN: 2456-236X Vol. 11 Special Issue 02 | 2026

Webinars/ Expert Talks/FDP organized by Faculty

- ❖ One Week ISTE STTP on “Integrated Water Resources Management: Modelling and Flood Decision Support Systems” was organized from 23rd March to 27th March 2026 coordinated by Faculty coordinators **Dr. P. R. Satarkar** and **Dr. S. K. Nalawade**.

STTPs/ Workshops/ FDPs attended by Faculty

- ❖ Dr U J Jadhav, Dr G C Chikute, Dr P R Modak, M S Chiwande, Mr. C S Misal, C R Yeole attended One Week ISTE STTP on “Integrated Water Resources Management: Modelling and Flood Decision Support Systems” organized by Dept of Civil Engineering AISSMS COE Pune from 23rd March to 27th March 2026

Students Achievements

Apurva Murkute from BE Civil got awarded as BEST OVERALL PERFORMANCE STUDENT among all branches for AY 2025-26

Vishwajeet Suryawanshi from BE Civil got awarded as BEST SPORTS PERSON among all branches for AY 2025-26

Shreyas Mane from SE Civil awarded for winning the Table Tennis competition in Shahu Krida Mahotsav 2026.

Apurva Murkute has secured Runner-Up position in Handball at Zest-2026 organised by COEP Technological University.

Prathmesh Gawas, Yuvraj Dhakane & Ashish Dulhot secured second position in Bridge-making Competition held in the Zeal College of Engineering and Research Pune.

Trophies and Awards achieved by Civil Engineering students Shivanjali- 2026

Students Achievements

Kshitij Chavhan (SE Civil) secured Runner-up position in Classical and 3rd position in Blitz in Chri Spo inter College Tournament

Vedant Kshirsagar (TE Civil) on Silver Medl in SPPU Zonal Sports Committee Inter Collegiate Power Lifting competition

Department of Civil Engineering has won the women's football competition

Winner of Cricket - Zest 2026

Yashwant Tupe has secured 3rd place at powerlifting at sppu and is selected for zonals

Shivam Deokate has participated Shooting at SPPU level and National level

Glimpse of Departmental Activities

“INDIA NEXT STIMULUS – A Civil Engineering Quiz” was organized in association with UltraTech Cement Ltd on 29th April 2026.

An Expert Session on ‘Advances in Concrete Technology and Industry Practices’ by Er Amit Haridas organized in association with ICI, Pune Centre, on 1st April 2026

Department of Civil Engineering, organised Inauguration of the ICI Institutional Membership and Student Chapter on 1st April 2026

Department of Civil Engineering, organized One Week ISTE STTP on “Integrated Water Resources Management: Modelling and Flood Decision Support Systems” from 23rd March to 27th March 2026

Internship Group for Japanese Language

Takamatsu Group

Institute has begun its journey with Japanese Language Programme with total of 38 Students being groomed for their bright future in Japan.

Glimpse of Departmental Activities

Internship Exposure in Infrastructure Companies

In Academic Year 2025–26, a total of 141 students from TE Civil successfully completed their internships in association with Builders Association of India (BIA) across various reputed construction and infrastructure industries.
